

Stilton Church of England Primary Academy
Primary PE and Sport Premium Funding 2025-26

Current numbers on roll (nor) 5-11: 171

Funding received: £16000 plus £10 per pupil from years 1-6 (£17010)

The revised vision for the Primary PE and Sport Premium is:

VISION

Inspire others, Participate together, Celebrate all

PE at Stilton Primary Academy should inspire all children to be part of sport in some shape or form. Children at our school should have opportunities and be encouraged to try a range of sports, have a go at new sports and excel in old ones. They should support and encourage each other to value PE and participate fully in all that is offered to them. They should have a strong team spirit and make an effort to do their best at all times. That achievement whether it be a win or not should be celebrated together.

OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

We would expect indicators of such improvement to include:

- the engagement of **all pupils** in regular physical activity – ensuring all children have an opportunity to have healthy, active lifestyles
- the profile of PE and sport being raised across the school as a tool for whole school improvement
- increased confidence, knowledge and skills of **all staff in teaching PE** and sport
- broader experience of a range of sports and activities offered to all pupils
- increased involvement of pupils in leading sport related activities
- increased participation in competitive sport.
