

Lunesdale Golf League

Knockout Competitions Guide

Entries

- Entries will open as soon as possible following the League's AGM.
- We will take entries via an online form on the LGL website. In case of difficulty, we will take enquiries by email or phone or via your club's LGL Captain.
- We will acknowledge entries by email within 2 days and request payment of the entry fees before the closing date.
- Entry fees will be accepted via the LGL's online card payment facility (Square) or by BACS transfer.

Substitutions, Cancellations and Refunds

- For the Doubles competition, a substitution will be accepted at any time up to and including the first match played. No substitutions can be made once the first match has been played.
- For the Doubles competition, if a player's partner is unable to play, he may choose to play that match without a partner.
- We will make a full refund for any entry cancelled up to one week before the first round draw.
- We will not normally make a refund for an entry cancelled within one week of the first round draw.

Players, Pairings and Playing Conditions

- Where a player is a member of more than one participating Golf Club, he must nominate his 'home' Club at the start of the competition and remain with that selection throughout. The player's 'home' Golf Club for the KO's may differ from the Club that he represents in the League matches.
- For the Doubles competition, both players must represent the same Golf Club.
- We will post the draws for each round on the LGL website and advise players by email of their opponents and match deadlines.
- Both players/pairs are equally responsible for arranging their match. Please make contact and arrange matches as soon as possible. We will only grant extensions of time in exceptional circumstances.

- Stroke Allowances are those specified under the World Handicap System (WHS), i.e.
 - Singles Knockouts – 100% of difference in Course Handicap.
 - Doubles Knockout – 90% of the difference in Course Handicap, strokes taken from the lowest.

Match Results

- The League's policy is that matches should always be played unless circumstances prevent it.
- If you are unable to play a match, you should agree with your opponent(s) an alternative way to decide who should go through. The Committee will only intervene as a last resort (by drawing lots) if you are unable to reach agreement on the result.
- Please report match results as soon as possible by one of the following:
 - [Report A Result](#) facility on the LGL website
 - By email to lglfixtures@gmail.com
 - By text to Derek Whiteway on 07805 260976
