This is your final confirmation and trial information letter. Please read this letter carefully, as it contains all the important information for your trial, including when to arrive, what to expect when you get there, and how to get placement ribbons. There will be no public briefing at the trial.

The trial will go on, rain or shine. If necessary, bring rain gear, waterproof shoes, and towels for the pups!

TRIAL DETAILS:

We are running in groups. Plan accordingly so you are ready at your scheduled time. **See the attached tables for your trial group and run time. Due to limited daylight, we will run as efficiently as possible. Please do not be late. This is especially important for the afternoon runs!**

Make sure to allow time for you to potty your dog(s) and get yourself ready to run. Once you complete your runs, we ask that you move along to make room for the next group. **Do not wander the site as you may be in sight of search areas!**

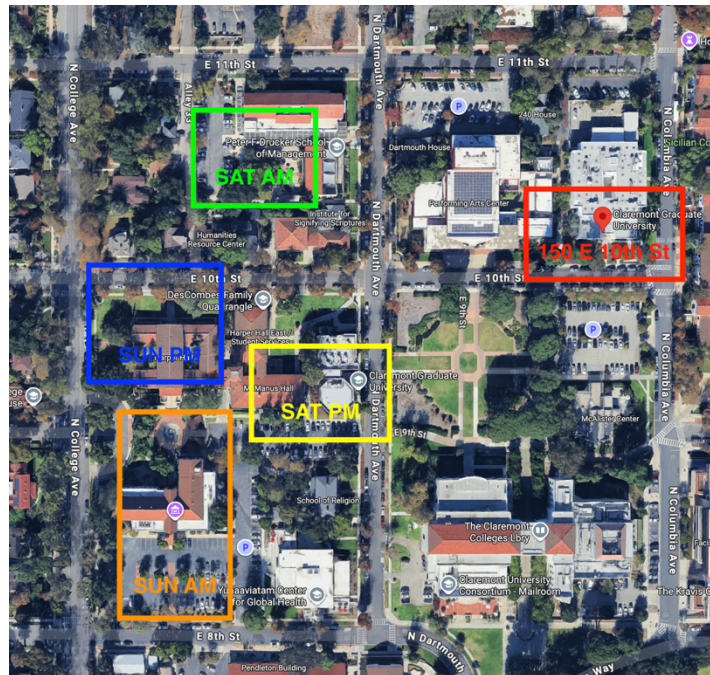

Susan Goldman will be the photographer. More information about photos will be sent out later with information on how to order.
