What our couples have to say....

"We are so happy we chose Atkinson Country Club for our wedding! The venue is absolutely beautiful and well-kept. We worked with Wesley during the planning process and Tia on the day of the wedding; both were incredibly easy to work with and responsive to all our questions. All of our setup and breakdown was taken care of by the venue, which really allowed us to relax a little and enjoy our day. The onsite hotel rooms were perfect for us and our wedding party, and having the bridal suite available to get ready in was very convenient. The reception food and service were excellent, and the staff was friendly and professional throughout. We highly recommend Atkinson Country Club!" - Diane

"From the moment we toured the property, we knew it was 'the one.' We instantly fell in love with the stunning outdoor gazebo and the elegant Brookside Room. The grounds provided the perfect backdrop for our summer wedding, and the transition from the ceremony to the reception was seamless. What really sets Atkinson apart is their incredible team.

The planning process was remarkably easy; every question we had was answered with confidence and genuine care. We felt like we could truly bring our wedding dreams to life because we had such a professional helping hand along the way. They do a fantastic job of keeping you on track with your planning timeline, but they are also incredibly flexible and accommodating whenever we needed to make adjustments.

The staff at Atkinson are friendly, professional, and—most importantly—trustworthy. When you are planning one of the biggest days of your life, you need to know you're in good hands, and this team proved themselves every step of the way. Their dedication made our day run perfectly, and we truly couldn't have done it without them.

If you are looking for a venue that combines natural beauty with a stress-free, supportive planning experience, look no further than Atkinson Country Club!" - Kathryn

"When I first started looking into which venues were out there, I was overwhelmed with options. Then I narrowed my WeddingWire search down to 'resort' venues. The Atkinson Resort & Country Club popped up and checked every box on my fiancé's and my wish list. We chose to marry here and it was outstanding. We had arranged to marry under the trellis, but had a rainstorm come wedding day. The Atkinson did not blink an eye and set everything up for an indoor ceremony perfectly. Then the food! Wow. We loved every bite and so did our 150 guests. Event coordinators were accommodating, responsive, and truly made planning a large wedding much easier. My husband and I had the best day of our lives and highly recommend getting married here!" - Corinne
