Local Rule Sheet

USGA Rules govern play except as modified by the following Local Rules

Ground Under Repair

Areas defined by white lines

All worn out areas around cart paths are considered ground under repair

Out of Bounds

Hole #1 left side defined by granite columns

Hole #4 left & behind green defined by stone wall

Hole #17 left side defined by white stakes

Black iron rod fence to the right of the 18th green defines out of bounds

Any ball in the trellis area is considered out of bounds

When both stakes and lines are used, stakes identify the penalty area and lines define the reference line

Penalty areas are defined by red stakes

A provisional may be played (rule 18.1) when your ball may be lost outside of a penalty area or out of bounds.

New Local Rule - Alternative to Stroke & Distance

A new Local Rule will provide golfers with an alternative to stroke-and-distance relief for balls that are lost outside a penalty area or out of bounds. Stroke-and-distance relief will still be available to golfers. This option allows the player to drop in a large area between the point where the ball is estimated to have come to rest or gone out of bounds and the edge of the fairway that is not nearer the hole

"When a player's ball cannot be found or is known or virtually certain to be out of bounds, the player may proceed as follows rather than proceeding under stroke and distance. For two penalty strokes, the player may take relief by dropping the original ball or a substituted ball in this relief area (see Rule 14.3)
