**MISS ISOBEL & MISS KIM:** *These years at SJDA have been the best years of my life. I cannot put into words how grateful I am for having the opportunity to be a part of this family. Thank you for sharing your passion with me — I will always be thankful for the continuous support and guidance you have given me. Thank you Miss Isobel, for guiding me through my dance journey and providing me with a firm foundation that ensured my love for dance. Thank you Miss Kim, for choreographing my solos and spending countless hours with me – even when I forgot my whole solo that one time :) Thank you again, for honoring me as your Wilma- Stewart Scholarship recipient — it was one the greatest accomplishments of my life. Although I’m incredibly sad that this experience has come to an end, I’m forever thankful because of the family I have now gained from my time here. The lessons I’ve learned at SJDA extend way beyond the walls of the studio. Over the years, this studio has taught me the importance of humility, self-discipline, and accountability. Being at SJDA not only made me grow as a skilled dancer but as a disciplined, responsible, and creative individual in this world, which is something I will carry with me for the rest of my life — I’m forever grateful. I’m so privileged to be able to have you as my teachers — I hope I continue to make you proud as I head into this next chapter of my life and I’m going to miss you so much!*

**TO MY SENIOR CLASS:** *Thank you for all the inside jokes, countless memories, and laughs. Y’all never fail to cheer me up and I’m so glad I’ve gotten to dance with every single one of you. You are all so special and incredibly talented- keep working hard (especially in tap lol). You guys are my besties and will always hold a special place in my heart. I love you all so so so much!! #justicefor479*

**MISS MARY & MISS PAIGE:** *Miss Mareee!! I feel like it was just yesterday I was in your lyrical class doing three pirouettes in the center. Thank you for always pushing me, believing in me and never failing to make me laugh. I'm going to miss our daily convos and many laughs in ballet. Thank you for welcoming me with open arms and even when I leave, I know our bond will remain the same :) I'm going to miss you and your corny jokes so much lol! Miss Paige, thank you for everything! You are truly a gem and I am so grateful to have had such an amazing hip-hop teacher. Your class is one of the highlights of my week and I'm going to miss you and your groovy moves so much. I can't believe this is it! Love you both so much!*

**MR. T, MISS SARA, MISS ANG, MISS HOLLY, AND SJDA STAFF:** *Thank you for everything. Your passion and dedication to dance in addition to your continuous guidance, has made me the dancer I am today. I'm so grateful to have had the opportunity to be taught by such an amazing group of individuals. You are all family and I'm going to miss every single one of you so much.*

**MOM & DAD:** *Thank you for supporting me through my years of dance. I am so blessed to have parents like you. I wouldn't be where I am today without your guidance and support – Love you!!*

XOXO, MIMI

# ANGELA BAILEY

**MISS KIM & MISS ISOBEL:** *From the two years I spent at Stewart Johnson, my entire understanding and passion for dance has changed tremendously. From you, Miss Kim and Miss Isobel, I learned that dance is not always something that is perfect or exact. Dance is about one's perception, individuality, and expression that can only be shown through movement when words aren't enough. I am so grateful for all of the experiences and memories you have provided to me by taking me into such a wonderful community of dancers and teachers. I can never thank you enough for being so wonderful towards me, and allowing me to improve as both a dancer and individual!*

**MOM:** *Where do I even start? Mom, honestly just thank you! You have provided me with the best years of my life by putting me in my first dance class 15 years ago. Through all of the competitions, conventions, auditions, and recitals, you were always there for me with a proud smile on your face, and I cannot thank you enough for that. You are my inspiration to keep going when things get hard, in relation to both dance and life in general. Your courage, work ethic, empathy, and beauty inspires me every day. I would not be the person I am today without you.*

**DAD:** *I would just like to thank you for all that you have done for me. I know in the beginning dance was just an after school activity you would drive me to everyday. However, once I started competition, your devotion to always being there to watch my every competition amazes me! I love that you are a dance dad, thank you for everything!*

**ANG:** *You are actually my day one girl!! You taught my first AND last solo, and you have no idea how much that means to me. You have watched me grow as a dancer through the years, and all I can say is thank you so much for your mentorship. I can always come to you when I need advice, and you always provide the best input! I love you so much and I could never ask for a better big cousin.*

**MISS MARY, PAIGE, SARA & ALL SJDA STAFF:** *I would like to thank you guys for making me the best dancer I can be! I am so inspired by you all daily, as you constantly make class so fun and exciting. You make dance a place I look forward to going everyday after school, and I thank you for being such amazing teachers. I love you all so much!*

**MY FAMILY:** *Thank you all so much for always being there to support me and to watch me dance. I appreciate and love you all of you so much! I cannot wait to experience the next chapters of my life with you all.*

**THE SENIOR CLASS:** *This is the best group of people on earth hands down. I could never in my life ask for a better group of people to dance with. I would never think I could still be inspired as a senior dancer, but these girls keep me amazed everyday I am here. You are all so talented, and I cannot wait to see what the future holds for you all.*

& SUCCESS IN ALL YOU DO!

# KEIRA SUTTON

**MISS KIM & MISS MARY:** Words can't describe how thankful I am for the love and guidance you have provided for me since the young age of four. You two helped me become the person I am today; I will use all the life lessons you have taught me over the years of being your student. With a lot of the good and some of the bad, you have taught me to be a strong and independent woman and showed me what hard work was and how far it could take me. The studio was my second home and a safe space where I have been able to build so many friendships and memories that will stay with me for the rest of my life. It has been such an honor dancing with you at this studio and I cannot thank you enough for all that you have done.

**NANA:** I remember just like it was yesterday; crying and telling you I was never going to wear that sailboat hat for pictures and at recital. But you showed me real quick who was boss, and it was clear that I was going to wear that hat if I wanted to get on that stage at the recital. From that moment I knew you were going to be an important influence on my life. You have helped me become the dancer I am today and woman I have become. There is nothing more that makes my day than when I step into the studio, and I see you and your big, beautiful smile. It brought me so much joy when you told me how beautiful I looked after performing my solo. I will forever miss our sodoku games in the back corner and eating all your jellybeans (which I'm not sure if you knew about). You will always hold a special place in my heart, and I truly can't wait to come back to visit.

**GIRLIES:** How I love each and every one of you so much! You have all had to hear the ups-and-downs of my day and have never failed to put a smile on my face when needed. You girls have taught me what real friendship is and I have a place for each of you in my heart. You all have made such a big impact on my life, and I don't know what I would do without you by my side. You have all become like family to me and I can't wait to come back and see how all of you have grown and I especially can't wait to hear about all the drama in the college dorms.

**MY FAMILY & AUNT BETTE:** Thank you for believing in me; I could not have done it without you!

**MOM & KYLIE:** I love you both endlessly and I can't thank you two enough for all your love, support, and encouragement, especially during competitions and tough dance nights. You two have been my biggest fans and have consistently been there for me; listening and giving me the best advice. Mom, a special thank you for allowing me to do what I love and being there for me every step of the way.

# THANK YOU SJDA...

FOR SETTING ME ON THE ROAD  
TO DOING WHAT I LOVE FOR THE REST OF MY LIFE

## **AUNT MISS KIM & NANABEL:**

*Without you and your belief in me, I would not be on my way to California.  
Without you and your belief in me, I would not be living my dream to dance and act.  
Without you and your belief in me, I would never have drawn on that Cuban Pete mustache. I love you both very much — you are the family that someone like me needed most to get them to where their dreams are.*

**TYLER:** *Words cannot describe the profound impact you have had on me. You were my older brother, my friend, and mentor. You taught me that it was cool for boys to dance, and you were the push I needed to follow my passion. You helped silence the many voices putting me down for staying true to myself, and for that I will always look up to you.*

## **MISS MARY, MISS HOLLY, MISS KRISTI, KRISTEN, SARA, PAIGE, AND ALL OF THE SJDA STAFF I'VE SPENT MY LIFE WITH:**

*All of you are part of the reason I dance – and your passion inspired me to appreciate all genres. Whether it was barre with Miss Mary, my first classes with Miss Kristi, across the floor with Sara, coffee grinders with Miss Holly, combos with Paige, or creating choreography with Kristen, 14 years of dancing side by side with these amazing teachers pushed me to become the dancer you believed I could be.*
