Hello Parish Family, my brothers and sisters in Christ,

As you can see when you explore the pages of this guidebook, Holy Family Parish is truly a family of faith, hope and love, along with fun, fellowship, and glorious creativity. We worship together; we have fun in our many ministries and parish activities; and we delight in friends new and old, womb to tomb and beyond.

We are all God's Family, and our beautiful church and peaceful church campus are but a reflection of the many parishioners who call Holy Family their home. We come together to celebrate Mass, to receive sacraments, to recognize the beauty all around us, and to give thanks for our vibrant and accepting faith community.

Here, at Holy Family, all are welcome. What defines us and animates our spirit is the noun "joy" and the verb "to rejoice". Joy and rejoice describe what it means to be good stewards of God's Holy Family and his holy creation throughout the whole world. We are in this together.

We have many different ministries available to our parish community and there are numerous ways in which God calls each of us to be involved in service to one another and to express our generosity for what he has given. We open all the doors and windows for the Holy Spirit to freely blow about, to shape our lives in imitation of Jesus Christ, to continue to form us as an apostolic church, always expanding and moving forward as a Holy Family.

With the grace and blessings of God, we will continue to actualize God's Kingdom in the here and now. Peace, Hope and Joy to all of you and your families.

Maranatha! Maranatha!

We strive toward the biblical tithe of 10 percent, giving our time, talent and treasure back to God: six percent to our parish, one percent to our diocese and three percent to other worthy causes. Each one of us is called to discern what we can give back of ourselves, remembering everything we have and everything we are is a gift from God.

Church Building History

Holy Family has taken many steps to get where we are today. It's been a 46-year journey, during which we've grown by leaps and bounds, often exceeding expectations. Holy Family was "Canonically established" on January 30, 1980.

Initially, Holy Family was planned as a small parish. It was one of several smaller parishes to be formed from larger ones, as it had been from St. Charles Parish. Without an official building in which to worship, Holy Family met at New Mark Middle School and in family's homes for Mass and the various ministries.

Father Pat Rush was named pastor for the newly established parish. Not only would he pastor a new parish—he was a new pastor out of seminary school. When it came time for parishioners to select a name, two paths led to "Holy Family." Mostly young families attended the new parish and the National Conference of Catholic Bishops designated 1980 as "The Year of the Family."

When the church was completed in 1982, the parish had 402 families. It consisted of the worship space, the "Family Room" and an office suite in a small basement. Just as the new parish was getting started, Father Pat was transferred. Father Lloyd Opoka started as the second pastor on Sunday, October 30, 1983.

In 1987, the parish built the rectory to the east of the church. On July 4, 1993, Father Robert H. Stewart came as pastor. Holy family had expanded to 654 families and discussion for expansions had begun. When the plan was revised in 1997, it included a 1,200-seat capacity church, but it was scaled back to an education wing and parish hall due to cost. The addition included ten classrooms, a parish hall and kitchen, nursery, offices and parlor.

By 2000, the parish had 845 households. It had been projected to have only 600 by then, but the Northland grew more quickly than anticipated during a housing boom. Parish leadership knew Holy Family would need to take steps in a different direction. The parish began searching for a larger parcel of land because growth would outstrip projections.

Church Building History Cont'd

The parish purchased 60 acres at 106th and N. Woodland Avenue for \$780,648 in 2003. In 2004 the facilities committee procured a new master plan and site program for the new location. Father Matthew Brumleve celebrated his first mass at Holy Family on November 27, 2004, as Holy Family's fourth pastor.

The worship space continued getting more crowded, so in 2005, glass was removed from the partition between the worship space and the Family Room. By that time, the parish had over 900 families.

In the fall of 2012, parishioners were presented with four options of expansion: three included building on the new property off 106th and Woodland and the final option to sell all or part of the land and expand on the existing property. Surprisingly, option four (to stay put) was the popular vote.

In January, 2014, Father Philip Egan became the fifth pastor at Holy Family. In September 2016, Holy Family sold the land purchased on 106th and Woodland for \$1,130,000. While the parish decided building on this land was not in our best interest, the purchase itself proved to be a good decision producing a \$349,352 profit. This money was rolled into the next capital campaign to expand our church and classroom/parish hall.

The Together We Grow capital campaign kicked off in the fall of 2017 and ran through 2020. The church expansion included increased seating to 800, installing pews and a baptismal font in the church, resorting the "Family Room" as you enter the building, restoring and mounting acquired organ pipes, creating a devotional area and updating the heating and cool systems.

The classroom and parish hall expansion plans included increasing the amount of classrooms to 14, creating a dedicated youth space, add two new offices, expand the parish hall for an additional 112 seats, add storage and build three new bathrooms, including a "family" bathroom. The Mass of Dedication took place on August 3, 2019 with Bishop James V. Johnston presiding, along with Fr. Egan, Fr. Brumleve, Fr. Opoka and Fr. Rush.

On June 30, 2023, Father Philip Egan retired from the priesthood and as pastor of Holy Family Catholic Church. July 1, 2023, Father Steve Rogers became the sixth pastor of our family of 1,145 households that we call holy!

Parents are required to attend an information meeting and two additional activity events with the child. For more information, contact Jena Duffy, the director of religious education, at 816-436-9200, ext. 308.

First Reconciliation: Children in the second grade, who have completed one year of religious education immediately prior to their year of sacramental preparation and are attending religious education classes, are invited to prepare for the sacrament of first reconciliation. In accordance with church guidelines, children prepare for reconciliation before Eucharist. Parents are required to attend an information meeting, as well as an activity event with their child in preparation for this sacrament. For more information, contact Jena Duffy, the director of religious education, at 816-436-9200, ext. 308.

Belonging Program for Baptism: Parents with infants needing baptism should enroll in the Belonging Program, which is offered quarterly. Expectant parents are encouraged to attend this program early in the pregnancy, before selecting godparents. The program is designed to provide parents with an incredible encounter with Jesus and with the Church. Parents will learn what it means to be children of God and that in the Church, they will always have a place where they belong.

Parents must be active registered parish members for six months prior to scheduling baptism or must provide verification of active parish membership from the previous parish. For information or to register, contact Shelly Mitchell at shelly@holyfamily.com or call the parish office.

Baptisms are the second Saturday of the month or the last Sunday of the month after the 11 a.m. Mass.

Sacramental Preparation Cont'd

Marriage: It usually takes about nine months to prepare for the sacrament of marriage. At least one party must be a registered and active member of Holy Family Parish for at least six months. A wedding date cannot be set until the couple completes the first phase of the marriage preparation program and meets with Rob Lickteig, Pastoral Associate, Family Life Ministry. The first step is to contact Rob at 816-436-9200, ext. 309. He will obtain basic information about you and your faith, explain the preparation program and answer initial questions. Couples will complete a pre-marital inventory. You will then meet with Fr. Steve to set a wedding date, receive feedback from inventory and learn more about the wedding liturgy. At this time, the couple decides on which program they will participate in, either meeting with a lead couple or attending an Engaged Encounter Weekend.

Becoming Catholic: Becoming Catholic focuses on the initiation of adults through reception of the sacraments of baptism, confirmation and Eucharist, usually celebrated in a single liturgy during the Easter Vigil. All are welcome to participate regardless of background. You may join this process at any time during the year. For more information, contact Christen Cota, pastoral associate, at 816-436-9200, ext. 304.

Sacrament of the Sick: Healing Prayer services with the Anointing of the Sick are scheduled a few times a year. For scheduled admissions to a hospital, contact Fr. Steve in advance at 816-436-9200, ext. 307, for anointing. Hospitals do not contact the parish when a parishioner is admitted, due to confidentiality and privacy issues. It is important for parishioners admitted to the hospital to notify the parish or to have a relative or close friend do so. If you wish to receive Communion while hospitalized, notify the hospital at admission.
