ATHLETE CHECK IN

Athletes **do not need to check-in** for the event. They can go directly into the venue through the main entrance. ****Important**** If you are concerned about sending your athlete in without you, you may either send them in with a friend, keep them with you until we allow the parents from your session to enter or you can purchase an all day pass and you can go in early.

Athletes are not required to purchase spectator passes as long as they are wearing their team comp warm-ups.

SPECTATOR CHECK IN

Spectators will check in at the sign that says Parent Check-In. Reminder entrance is **cash only**. There are some ATM's but they often run out of cash so please be prepared. Upon purchasing their entry parents will be given a color coded wristband for their designated session.

***** IMPORTANT***** To ensure a positive viewing experience for those parents whose children are still competing, only those people with wristbands for the current session or All Weekend passes will be allowed into the competition area. **NO spectators for the following session will be allowed inside the competition area until the previous session has 100% completed** and we've had a chance to clean up around the spectator area. We understand you are anxious to get inside but it becomes very hard to watch and enjoy if parents from the following session are taking up seats waiting for their kids session that are in front of the event your child is competing on. We can assure you you will get inside with plenty of time before your child competes.

SPECTATOR VIEWING

Seating will be rotating. We will have spectator viewing in front of each event. Please rotate with your gymnast to allow yourself and everyone else the best views of their athletes. There will be no saving of seats when you move away from your event.

We have a designated **Red floor**, **Black Floor** and **Blue floor** for the event. You will be able to identify which competition floor is yours based on the color of the curtains surrounding the competition floor. Your session is designated with an R for Red Floor and a B for Blue Floor or a K for Black floor. So if you are in session 4K you are in the 4th Session on the Black Floor.

Also, please remember this event is supposed to be fun. We strongly encourage you to cheer loudly and encourage your athlete to do their best. However, we expect everyone to act appropriately and maintain a positive environment for all of our competitors.

CONCESSIONS

Concessions will be offered inside our competition hall. There will be a concession stand with sandwiches, salads, burgers, etc. There will be food trucks during parts of the event as well just outside the doors at the end of the entrance to our competition hall. We will announce when these are available.

There will also be carts with cocktails, boba drinks, coffee drinks, popcorn and cotton candy.

AWARDS

When your athlete's competition session ends they will make their way out of the competition area and into our awards area. The awards areas are also designated **RED**, **BLACK** and **BLUE** with curtains. Athletes should sit up front on the floor in front of the stage and wait for the session to finish. We will have chairs behind them for spectators to watch awards.

We do put stickers on our awards medals so please be aware that this will take us an extra 10 minutes to get started as this does take us a bit of extra time.

We will have a special gift for each of our all around athletes. A heart themed necklace.

ATHLETE GIFT

Each of our athletes will receive a specially designed Victory Classic Beach Towel. These will be given to your gym to distribute however makes the most sense for your team.

TIME CHANGE

Reminder that Daylight Savings is Saturday night March 7th and we will lose an hour heading into Sunday morning. Please plan accordingly to make sure you are on time for your sessions.

DINING & ENTERTAINMENT

The Los Angeles Convention Center is right next to the famous Crypto.com arena where the Lakers, Clippers and Kings play. It is also next to LA Live where you can find The Grammy's Museum, Lucky Strike Bowling, Regal LA Live and tons of great dining options like The Yard House, Fixins Soul Food Kitchen, Tom's Watch Bar, Fleming's and more. All of these are only about a 2 to 3 minute walk from the front door of the LACC.
