For nearly 74 years, the **Southampton Chamber of Commerce** has proudly supported local businesses, promoted tourism, welcomed 4 soon to be 5 U.S. Opens at the Shinnecock Hills Golf Club and strengthened the spirit of our community.

As a non-profit 501(c)(6) business membership driven organization, not funded through any government entity, we are the largest Chamber on the East End located in the “hub of the Hamptons,” the heart of Southampton Village. Our **Visitors Center** on Main Street welcomes residents and visitors alike offering information, resources, and a friendly face to help everyone experience the best of **The Hamptons**.

The Chamber originated from the East End Businessmen’s Association. Summer of 1950, Bob Keene opened a bookstore in the Pelletreau Silver Shop for \$50 a month. He was having a difficult time making ends meet and was grateful when he was offered the position of secretary for the “East End Businessmen’s Association.” The Chamber was needed not only to keep the business concerns in one central location but also communicate with the prospective visitor. Village Hall, at that time, had been receiving numerous inquiries requesting information on this wonderful “beach resort.”

As technology and the ways we connect continue to evolve, many chambers of commerce have seen a decline in membership. Often, this happens simply because people are not fully aware of the valuable benefits that come with being part of their local chamber. The Southampton Chamber is working to change that, by helping our community understand that membership means more than just joining an organization. It means becoming part of a network that supports local businesses, encourages collaboration, and helps keep **Southampton** a thriving, welcoming place to live, work, visit, and **ENJOY**.

Chamber members are featured in our online membership directory, **A Community for All Seasons**. A showcase of promotional materials are displayed and distributed in our highly trafficked office and an outdoor kiosk reflects a map with downtown village business members prominently displayed along with other community information. For additional exposure, discounted **Email Blasts** to over 1400 contacts and opportunities for sponsorship and advertising are available.

Each year, the Chamber proudly sponsors several beloved community events that bring residents and visitors together. These include our **Farmers and Artisans Market** in beautiful **Agawam Park**, home to the **World War Memorial**, where local growers, makers, and artists share their talents all season long, **SouthamptonFest**, a weekend filled with festive fall events throughout the village, including the popular **Annual Chowder Contest** and additional activities offered through our other local non-profit organizations. For 29 years we have hosted the magical **Firetruck Parade of Lights** on the **Saturday of Thanksgiving weekend**, followed by the **Christmas Tree Lighting** and spectacular **Fireworks Display**, presented in collaboration with the **Christmas Decorations Committee**. To keep the holiday spirit going, we invite everyone to **Shop–Dine–Stroll Southampton** on the **first Saturday of December**, with the merriment of our joyful holiday carolers and a special visit from **Santa Claus**, at the Chamber, making it the perfect way to **Celebrate the Season** while supporting **local businesses**.

Embracing non-profits like the Southampton Rotary, Stony Brook Southampton Phillips Family Cancer Center, Heart of the Hamptons, Village of Southampton Commission on Patriotic Events, Coalition for Women’s Cancers, and the Race of Hope, to name a few through the “**Give Local**” campaign, is also something we do.

At the **Southampton Chamber of Commerce**, we are more than a business organization we are your neighbors, partners, and advocates, working together to make our community shine year-round.

Join us today! Visit our **Main Street Visitors Center** or explore our website www.southamptonchamber.com to learn more about membership, upcoming events, and ways to get involved. Together, we can continue to keep Southampton a vibrant and connected community for generations to come.
