

BEDBUG WARNING!

AS MOVING TIME IS UPON US, FOR MANY UNITS IN AND AROUND BOSTON, WE WOULD LIKE TO REMIND YOU OF THE DANGERS OF TOUCHING OR BRINGING IN ANY AND ALL FURNITURE FROM THE STREET.

ALL FURNITURE, WHETHER IT IS UPHOLSTERED OR NOT, CAN CARRY BEDBUGS! THIS CAN BE ABSOLUTELY DEVASTATING TO YOUR HOME, AND THE HOMES AROUND YOU!

We at Newman Properties ask you NOT to touch, carry, or bring indoors ANY furniture from the street in the coming weeks. This also applies to the tenants who are not moving at this time.

Please be aware that tenants are responsible for pest treatment costs for any issues deemed to have been brought in by actions outlined above.

We thank you for your cooperation!
