

OCTOBER 3RD - 4TH IN-HOUSE COMPETITION SCHEDULE

We are excited to continue one of our favorite Olympia traditions—giving athletes valuable judges' feedback before the competition season officially begins! This year, we're also opening the event to families so you can experience the excitement alongside your athlete.

Our In-House Competitions are designed to provide athletes with a positive, educational, and low-pressure competition experience while receiving constructive feedback from certified judges before the official season starts. We encourage all families to attend, cheer loudly, and celebrate the beginning of another exciting competition season!

GENERAL INFORMATION
