# A listening ear, day and night.

## Emotional support

You and your family† can talk to a trained expert in confidence about any worries before they become bigger problems. We can help with things like:

- stress
- bereavement
- coping with change
- anxiety and depression
- substance misuse
- relationship and family issues

## Practical information^

Our experts can provide you with the facts you need to make informed decisions on a range of things, including:

- money management and debt
- landlord disputes
- divorce
- consumer rights
- parenting
- careers and training advice

†Dependant family within the same household only. We are unable to provide individual counselling to dependants under the age of 16, however we can point them in the right direction for support available to them.

^Information only services. For legal, financial or debt management advice, customers will need to engage external advisers separately.
