Start your journey today.

6 Modules 37 Lessons

Build knowledge, step by step.

Gain the confidence, knowledge, and skills to work with children from birth to five -
and build a foundation for a rewarding career in early years.

• WHAT YOU'LL LEARN •

Child Development & Play

Understand how children learn and grow from birth to five, and the central role play has in their development.

Safeguarding

Learn how to identify concerns, follow procedures, and keep children safe in any early years setting.

Communication & Interaction

Build skills in communicating with young children and supporting their language development effectively.

Teamwork & Relationships

Explore how early years professionals work together and build positive relationships with families.

Health & Safety

Know how to create safe, healthy, and nurturing environments for babies and young children.

Progression to Level 2

Finish with a clear pathway to the Level 2 Early Years Practitioner apprenticeship and beyond.
