When an accident occurs, the student must report it at once to the teacher in charge. The teacher will then report it to the office and/or administrator. A Student Accident Report should be completed by the teacher and turned into the office.

ADDRESS AND PHONE NUMBER CHANGES

If a student has a change of address or phone number, the parent or legal guardian must report to the main office to complete a form for a change of address or phone number change.

AFTER-SCHOOL ACTIVITIES

Extracurricular activities are viewed as an extension of the school day. All rules governing regular school day activities apply to all extracurricular activities. All students attending after-school programs must report immediately to their designated locations after being dismissed from the last class. Students are not to loiter in the building and must remain under the supervision of the program sponsor(s). Parents are required to make arrangements for students to be picked up on time when transportation is not provided by the after-school program.

Elementary students cannot be left at any after-school activities without the supervision of an adult aged 18 years or older. Junior high and high school students may be left unsupervised at after-school activities. However, if any behavior violation occurs while unsupervised, they will not be permitted back to any after-school activities without the supervision of an adult aged 18 years or older.

No students, regardless of age, may be left at school unsupervised in between school hours and any after-school activities.

ARRIVAL/DEPARTURE TIMES

Arrival

Students are not allowed on campus before 7:10 due to required staff supervision. Parents bringing students to school will drop off students at the front entry of the main building.

Departure

Students are dismissed at 3:05. Parents must pick up student at the front entry of the main building. No student can be picked up in the student parking lot. All car riders will report to the big gym. Junior high and high school bus riders will report to their buses. All student drivers must leave immediately from the student parking lot.

ATTENDANCE

Beekman Charter School complies with the state regulations regarding school attendance. Louisiana State law requires that students be in school every day that school is in session unless an absence is due to one of the justifiable reasons allowed by law and school board policy. Parents are encouraged to cooperate with the school by scheduling or arranging any other activity or appointment at times other than during the school day.

Absence from class is considered to be unexcused, except in cases of illness or some other extenuating circumstance that the principal considers to be valid. The principal shall review each non-illness related absence to determine whether it shall be considered “excused” or “unexcused.” However, non-illness related absences should be kept to an absolute minimum. In order to receive credit for a year’s work. Secondary students (grades 6-12) may not have more than 5 unexcused absences per semester. Excused absences shall be permitted in the following circumstances:

1. Children mentally, physically or emotionally incapacitated to perform school duties, and children unable to profit from further school experience, such exemptions to be certified in writing by a psychiatrist, psychologist, recognized evaluation center or clinic, or other professionally qualified person or agency approved by the board of directors.
2. Children who are personally ill and whose attendance in school would endanger their own health or that of their classmates. If the child is out of class for more than three (3) consecutive days, a physician licensed to practice in the state must substantiate the illness, in writing. The principal may make an exception regarding the physician’s statement depending on the circumstances in each case.
3. Illness that is substantiated in writing by a parent or guardian and approved by the principal when circumstances make credibility reasonably sure and the student was absent three or fewer consecutive days.
4. Children in whose immediate family a death has occurred. Such absences should not exceed one (1) week in length.
5. Children whose religious faith requires absence for the observance of special and recognized holidays of the child’s own faith.
6. Serious illness within the immediate family

Extenuating Circumstance

The only exception to the attendance regulation shall be delineated extenuating circumstances that are verified by the principal as follows:

1. Extended personal, physical, or emotional illness as verified by a physician.
2. Extended hospital stay as verified by a physician.
3. Extended recuperation from an accident as verified by a physician.
4. Extended contagious disease within a family as verified by a physician.
5. Prior school system approved travel for education.
6. Death in the family (not to exceed one week).
7. Natural catastrophe and/or disaster.

Late Arrival

Students arriving after 7:40 a.m. **MUST** be signed in by a parent at the front office desk. Any reason that is excusable as an absence is also excusable as a tardy.

Louisiana Revised Statute 17:221 Duty of Parent or Guardian

Every parent or guardian residing in Louisiana, having control or charge of any child from that child's seventh (7th) birthday until his eighteenth (18th) birthday shall send such child to a public or private day school and shall assure the attendance of such child in regularly assigned classes during school hours established by the school board. Any child below the age of seven (7) who legally enrolls in school shall also be subject to compulsory attendance.

Personal Days

All students are allowed two personal days per school year which will be excused without question. A note from a parent requesting that a day be excused as a personal day must be submitted no later than 48 hours after an absence. Personal days must be full days. Partial days used as personal days will count as full days. **The first two days a student is absent and fails to produce an excuse within 48 hours will be counted as his/her personal days.**

Truancy

A student absent without proper cause is truant. Repeated truancy may be cause for disciplinary action or legal action. A student is truant if he/she does one of the following:

- Leaves school without signing out in the appropriate office.
- Leaves school at any time – we operate a closed campus policy.
- Is absent from class without permission (skipping).
- Comes to school but never attends class.
- Obtains a pass to go to a certain area of the school, but never goes there.
- Loiters anywhere on campus during school hours. Loitering is defined as being in any off-limits area or being anywhere other than the place indicated by the student's schedule without a hall pass or permission from a school official.
- Arrives at school late and never signs in at the office.
- Habitually arrives to school late. A truancy ticket will be issued on the 5th unexcused late to school.

Then the student shall be suspended until investigation is performed by principal and, if necessary, the Morehouse Parish Sheriff's Office.

** As applicable for all policies of BCS, first day of school attendance constitutes acceptance of all school policies.

BUS CONDUCT

Beekman School Bus Policy

The following rules of conduct shall apply to students who ride the school bus:

- Follow all directions of the driver the first time they are given.
- Cross the road only with the driver's permission and only in front of the bus.
- Keep hands, feet, and other objects inside the bus.
- No excessively loud talking.
- Do not stand when the bus is in motion.
- Face forward and remain seated when the bus is moving.
- No eating or drinking on the bus.
- All rules that apply at school also apply while on the bus, waiting at the bus stop, or walking to or from the bus stop to the student's residence.

At any time, if the severity of the behavior warrants, the students may be suspended from school on the first infraction. The following actions will be considered severe behavior and students may be suspended from school for a minimum of three days or for the remainder of the school year for such behavior:

for committing any act on a school bus, at a bus stop, or while walking to or from a bus stop that would constitute suspension or expulsion while at school or at a school sponsored function.

Consequences:

1st Offense: The bus driver will provide documentation on a bus conduct form and make parental contact.

2nd Offense: The bus driver will provide documentation of the second offense to the designated principal. The bus driver and the principal will make parental contact.

6th Offense: The bus driver will provide documentation of the sixth offense to the designated principal. The student will be suspended from the bus for the entirety of the school year.

CAFETERIA

Cafeteria Behavior

The cafeteria is offered as a convenience to the student body. Students are expected to conduct themselves in an orderly fashion during the lunch period. Students should wait politely in the service line. Any misconduct in the cafeteria will result in disciplinary action. No food or drink is allowed to be taken out of the cafeteria without principal authorization.

Lunch Rules

BCS, like other public schools, will accept funds from the federal government for school lunches. These guidelines are very strict. Among other things, the regulations dictate what food can be served in the cafeteria as well as who gets snacks and when.

As was stated above, nutrition guidelines are very strict. To remain in line with this regulation, parents will not be allowed to deliver or send fast food from restaurants to school. Outside food or drink brought from home will need to be free of all labels. Please see the following link for information <https://www.louisianafitkids.com/SmartSnacks/SmartSnacks>
Students are also allowed only 100% fruit juice, water, or milk at breakfast and only water or milk at lunch.

To minimize liability issues and to give our teachers maximum time to eat their own lunch, students will not be provided access to, nor will teachers be allowed to warm/cook student food in the microwave. All food brought from home must not require refrigeration or heating/cooking.

Payment for Meals

Breakfast and lunch are free to all students. Extra items may be sold to students from time to time as determined by the cafeteria manager.

CHEATING/PLAGIARISM

Whenever a student is guilty of cheating, the teacher shall collect the student's paper, mark a zero for the work, and notify the parent and principal or assistant principal immediately as to the action taken.

Honesty is essential at Beekman Charter School, and we expect all students to possess integrity. The act of plagiarism violates our expectation that students demonstrate honest behavior as conveyed in their academic work. Plagiarism is a form of dishonesty that happens when a person passes off someone else's work as his or her own. This can range from failing to cite an author for ideas incorporated into a student's paper to cutting and pasting paragraphs from different websites to handing in a paper downloaded from the internet. All are plagiarism.

The consequences for plagiarism will be the same as cheating.

First offense - zero given on work and parent contact

Second offense – zero given, parent contact, and 2 days lunch detention

Third offense – zero given, parent contact, and 1 day in-school suspension

CHECK-IN/CHECK-OUT PROCEDURES

Checking In School

If a student arrives at BCS after school has begun, the parent must sign him or her in at the office, and he or she will be marked tardy.

Checking out of School

Parents are required to personally check out students in the main office unless proper documentation has been completed to release students under someone's care. Only those authorized in writing by parents will be allowed to check out children. Proper documentation can be obtained in the main office to complete.

1. If any emergency arises and a parent cannot be present to check out a student, a designated school official or administrator must confirm the emergency or reason for checking out with a parent or guardian before the student will be allowed to check out of school with someone other than his or her parent or guardian.
2. Parent(s) may be requested to show their picture ID when checking student(s) out.
3. Students will not be allowed to check out for lunch.
4. Students who drive to school may check out through the high school office if the proper documentation has been completed to allow the student to check himself or herself out of school.

Checking a student out after 2:15 is considered an unexcused absence unless for a reason that would be considered an excused absence or tardy. Checking a student out early to avoid waiting in the car rider line will result in an unexcused tardy.

PLEASE DO NOT CALL THE SCHOOL TO CHANGE YOUR CHILD'S TRANSPORTATION ARRANGEMENTS UNLESS THERE IS AN EMERGENCY. WE WILL BE GLAD TO ACCOMMODATE YOU IN CASE OF AN EMERGENCY, BUT WE WILL NOT DELIVER MESSAGES TO YOUR CHILD REGARDING AFTERNOON TRANSPORTATION CHANGES ON A ROUTINE BASIS.

Corporal Punishment

The board of directors of Beekman Charter School shall allow reasonable corporal punishment of unruly students. If such punishment is required, it shall be administered with extreme care, tact, and caution, and then only by the principal or assistant principal. Corporal punishment may be used at the discretion of the principal or assistant principal for any level of discipline for offenses as outlined in this handbook.
- The principal or assistant principal shall administer corporal punishment only in the presence of another school employee who shall be informed beforehand of the reasons for the punishment.
- In all cases in which corporal punishment is used, the student should be given a brief but adequate opportunity to explain his/her side of the situation.

- Parents who do wish to have corporal punishment administered to their child must fill out a form that may be obtained from the principal. The form must be signed each school year and will not carry over from year to year. If a parent requests that corporal punishment not be used, then another punishment ranging from detention to suspension

will be substituted at the discretion of the principal or assistant principal. The punishment assigned will be determined by the severity of the offense and the student's disciplinary history.

- Corporal punishment shall not be used with students classified as special education or section 504 (except for gifted and talented students).
- The use of corporal punishment shall at all times be reasonable and proper. Consideration should always include, but not be limited to:

- Corporal punishment shall not be administered in anger or with malice at any time. Paddling of the student's buttocks is the only corporal punishment that shall be administered at any time.

Any accusations involving such a violation shall be immediately reported to the principal and an investigation of the matter shall be conducted. Any violations of this policy shall result in sanctions, including but not limited to termination.
- Nothing contained herein shall be interpreted as prohibiting an employee from using reasonable, physical force, appropriate to the circumstances, in defending himself against a physical attack by a student, or to restrain a student from attacking another student or employee, or to prevent acts of misconduct which are so anti-social or disruptive in nature as to shock the conscience.

Behavior Center/In-School Suspension (ISS)

Beekman Charter School shall expel a student from school if an offense committed by the student is serious enough to warrant such action or is a violation of school policies, rules, regulations, or is a violation of state or federal law. Upon receiving a recommendation for expulsion of a student from the principal, a hearing officer shall conduct a hearing to determine whether expulsion or other disciplinary action shall be taken. The parent or guardian of the student has the right to concur with the school's recommendation for expulsion and forego a hearing. At the hearing, school administration, a teacher, and any other employee of the school who has any knowledge of such violation(s) as may have been committed by the student shall be heard and all relevant facts presented relative to the case. The hearing shall begin with a presentation of facts by the school administrator, a teacher and/or other school employees, followed by a specific recommendation that the student be expelled from Beekman Charter School. Following the presentation of facts and recommendation, the student and his/her parent(s) and/or guardian(s) shall be given an opportunity to present any facts which they believe to be relevant to the recommendation. If either side intends to present witnesses that will substantiate or support their position, this must be made known to the hearing officer at the beginning of the hearing. Witnesses will only be allowed to remain in the hearing during the time of their testimony.

Following the hearing, the hearing officer shall approve or deny the recommendation of expulsion. In the case that the expulsion recommendation is denied, the hearing officer shall determine the appropriate disciplinary action that shall be taken in the case. The decision of that hearing officer may be appealed to the Beekman Charter School Board of Directors by submitting a written appeal to the principal within five school days of the date of the hearing. The appeal will be heard by the BCS Personnel and Student Affairs Committee, but the committee shall have the discretion to refer the appeal to the full board if it deems necessary.

School administrators will use the following procedure as corrective action for any student who violates this policy:

First Offense: The phone or device will be taken from the student and turned over to a school administrator. Parent will be notified and must report to the school to pick it up. **Note:** If a student becomes disrespectful due to the item being confiscated, more serious corrective action may be assigned.

Second Offense: The confiscated item will be held at the school until a parent picks it up, and the student will be assigned **1 day of Recess Detention**. The parent will be notified.

If you are concerned about the consequences of cell phone possession, then leave it at home. We will allow students the use of the office phone when appropriate. Students are not allowed to go back to cars during the school day unless they have permission of the principal or assistant principal.

GRADING SCALE

A	=	90 - 100
B	=	80 - 89
C	=	70 - 79
D	=	60 - 69
F	=	59 and below

*Promotion is dependent on the specific grade level outlined in the Pupil Progression Plan. Students must hold a C average to participate in athletics. Students whose GPA drops below may not continue to participate for one semester. They must achieve a C average the following semester to continue to participate.

GRIEVANCE PROCESS

In a school community the size of BCS, there will be areas in which there will be different opinions regarding different issues. Communication is a key factor in solving issues. If a student/parent has a complaint, the grievance policy will be as followed:

- Students and parents will discuss concerns with the teacher/coach first. If not satisfied with the outcome of this discussion, the parent may request a meeting with the designated administrator. Elementary concerns will be addressed with the elementary assistant principal. Junior high concerns will be addressed with the junior high assistant principal. High school concerns will be addressed with the principal.
- The administrator will need a written request from the parent detailing the concerns of the situation before a meeting will be scheduled. The administrator will follow the policy and procedures of the handbook and make a decision on each situation.

- The administrator and parent shall document that a good faith effort was made to solve the problem.
- If the parent is still not satisfied with the outcome of the meeting, then the parent may submit a written complaint to the Executive Director using a form obtained in the school office. A grievance will not be considered unless it is submitted using the Beekman Charter School grievance form.
- The Executive Director shall respond to the parent's complaint in writing within five school days. A meeting can be scheduled to discuss the complaint and the executive director's response. It is very important to resolve an academic conflict as quickly as possible.
- The Executive Director and the parent shall document that a good faith effort was made to solve the problem.
- If the student/parent is not satisfied with the Executive Director's written response, he/she can write a letter to the board president. The board president shall uphold the Executive Director's decision as final unless the parent or student demonstrates that a school policy, State or Federal law has been violated.
- If the board president determines that policy or law has not been followed, he may refer the appeal to the full board or their designee.

A list of all student allergies must be submitted to the school at the beginning of the school year.

A Food Allergy & Anaphylaxis Emergency Care Plan (FARE) is to be filled out for each school year and is to include an updated picture of the student.

The parent is to supply the school with one or two EpiPens. EpiPens will be stored in the child's classroom and/or the nurse's office. A child may keep an EpiPen in his/her backpack. Medications - Discipline Policy

Any student found to be in possession of any unauthorized OVER-THE-COUNTER OR PRESCRIPTION DRUGS will be dealt with in the following manner:

First Offense: The principal will conference with the parent/guardian and student advising them of the Louisiana State Law and the BCS Board Policy concerning the administration of medication.

Second Offense: The student will be suspended for three days and a conference with the principal and classroom teacher will be held.

Third Offense: The student will be recommended for expulsion for the remainder of the semester or the remainder of the school year.

PARENT CONFERENCES

In any case in which a parent conference is required, parents and/or guardians must participate in the conference at the designated time and place, or their child shall not be allowed to continue to attend classes at the school. The principal may permit a student to continue to attend classes on the day of the infraction, but under no circumstances shall the student be allowed to attend classes on any subsequent day unless the parent conference has been conducted, or the principal determines that the child should be returned to class. Telephone conferences shall be acceptable if allowed by the principal.

Under no circumstances shall a student who has been suspended from the school be allowed to return to the school until the required parent conference is held. Parent conferences shall include the principal and/or the classroom teacher from whose class the student was removed (if appropriate), other such school personnel as may be appropriate, the parent(s) or guardian(s), and the student in question. The conference shall result in the parent or guardian being supplied with the report of specific behavior issues involving the student in question, and an explanation of the desired behavior that is expected of the students. The conference shall also include a discussion of the likely disciplinary action that will be taken if the same student violates school policies at some future date. The conference discussions, including any response of the parent or student, shall be documented and recorded for future reference.

PARENT CONDUCT

Beekman Charter School has been established and advertised as a school of choice with high standards. The concept of a partnership of mutual respect between parents, teachers, and students will be one of the strengths of BCS. The educational climate at Beekman Charter School cannot be maintained in accordance with the BCS mission, goals, and objectives if there is a breakdown in any aspect of the partnership. Accountability of all people provides this partnership. Teachers are trained to use classroom management techniques that foster optimum learning conditions, and to communicate with parents their expectations for students. Policies exist whereby teachers who do not perform their teaching duties and other duties in their job descriptions will not be rehired. Policies are on file whereby students are held accountable, and if conformity to the high standards is not maintained, the students may be recommended for dismissal from Beekman Charter School.

This partnership between students, teachers, and parents requires parents to support BCS and its teachers, as the school attempts to carry out its mission. Parents shall be made aware of policies by means of the student handbook and the policy manual kept in the office and available to parents.

Parents who exhibit open hostility to teachers and other BCS staff members by means of abusive language, either verbally or written communication, will not be permitted to return to the school campus for any reason. The principal may suspend any parent from coming onto the school campus for any violation of this policy. **Additionally, we ask that parents refrain from posting on social media that may negatively impact Beekman Charter School. If there is a specific issue that is connected with the school, we ask that you please contact the principal or his/her designee to resolve the issue before posting on social media.**

Without such accountability, the mission of the Beekman Charter School cannot be maintained, and the high standards established for the school will be difficult to uphold. Parents should instruct their children to show respect for all teachers and other BCS staff members, as well as the other children who attend Beekman Charter School.

POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORT (PBIS)

Beekman Charter School implements a digital PBIS (Positive Behavior Interventions and Supports) system. All students PK-12th grade can earn Tiger Bucks by meeting our school wide expectations, also known as ROAR.

- Rise to the Challenge
- Own Your Actions
- Achieve Goals
- Respect Self and Others

All Tiger Bucks are awarded digitally through the Navigate 360(PBIS Rewards) program. Students and their parents have access to their PBIS account. Tiger Bucks can be spent in the school store, a teacher's store (if applicable), or in drawings and raffles (when available).

The purpose of PBIS is to encourage and promote positive behavior among all students.

POSTERS AND ADVERTISEMENT

The principal must approve all posters, announcements, or advertisements to be displayed anywhere in the building or on the school grounds.

PUPIL PROGRESSION

Beekman Charter School operates under the Morehouse Parish School board; however, Beekman Charter School submits their own pupil progression to the Louisiana Department of Education. The pupil progression plan can be found at www.beekmancharter.org.

REMIND SYSTEM

For school wide Remind text notification, please text @bcstigers to [81010](tel:81010). The school also has individual grade levels, dual enrollment, and honors Reminds set up. Please make sure that you are on all Reminds that apply to you. A complete list can be found at www.beekmancharter.org on the BCS Counseling Home page.

REPORT CARDS

Report cards will be given every nine weeks to students. Report cards notify parents of their child's progress. The number of times a child has missed class is also recorded on the report card. If the student owes for any school fees or any books the student will not receive his/her report card until the matter has been resolved. Please see the school calendar for report card dissemination dates. Report cards will also be posted to the Student Progress Center.

SCHOOL CLOSINGS

Occasionally school may be closed because of inclement weather or other unusual circumstances. Please do not call the school or school personnel. The alert system or REMIND shall also be utilized for this purpose. The following TV stations will be notified by school officials: KNOE-TV, KTVE-TV.

SCHOOL RESOURCE OFFICER (SRO)

A School Resource Officer (SRO), a Morehouse Parish Deputy, is on duty daily. The SRO has the responsibility for safeguarding the campus and has full authority to act as a law enforcement officer. The SRO will also provide an extra measure of support to school administration.

SEARCH AND SEIZURE

Any administrator or school resource officer may search any building, desk, locker, area, or grounds including vehicles for weapons, illegal drugs, alcohol, stolen goods, or other materials or objects for which possession is a violation of BCS policy. This includes a random search with a metal detector or a search conducted when there is a reasonable belief that the items sought will be found. Any administrator, school resource officer, or teacher may search a student or the student's personal effects when, based on the attendant circumstances at the time of the search, there are reasonable grounds to suspect that the search will reveal evidence that the student has violated the law, BCS policy, or a school rule.

SECTION 504 COMPLIANCE

It is the policy of the Morehouse Parish School System to provide a free and appropriate public education to each student within its jurisdiction, including students with disabilities, regardless of the nature or severity of the disability. It is the responsibility of the Morehouse Parish School System to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated, and provided with appropriate educational services. Due process rights of disabled students and their parents under Section 504 will be enforced.

STUDENT FEES POLICY

Beekman Charter School may impose certain student fees or charges to help offset special costs incurred in the operation of specific classrooms or subjects. Generally students should not be denied or delayed admission nor denied access to any instructional activity due to failure or inability of their parent or guardian to pay a fee. Report cards and other academic records cannot be withheld for failure to pay a fee, pursuant to La. Rev. Stat. Ann. 17:112 (C).

Each student fee will be collected by the school's main office. Fees can be paid by check or cash. Collected fees are used to cover the costs of supplies, activity, or experience.

STUDENT PROGRESS CENTER

Parents may log into www.beekmancharter.org to access the student progress center. Parents need to select parent center and click on student progress center to begin registration for new users. For new users, a PSN, which is the last 5 digits of your child's social security number, will be required. School records are available through this program, but if fines are owed, limited access will be available.

STUDENT RECORDS

RELEASE OF INFORMATION REQUIREMENTS - (PRIVACY ACT OF 1974) Under provisions of this Act, personal student information cannot be released by a school without specific prior written consent of the parent or qualified student (18 years or older) concerned. An exception to this requirement is made for directory information, which includes a student's name, address, telephone number, date and place of birth, major field of study, participation in official activities, weight and height of members of athletic teams, dates of attendance, degrees and awards, and the most recent, previous education institutions attended. Directory information cannot be released without specific prior written consent• but only if the school has previously given public notice of the category of information that it intends to classify as directory information, and of the right of parents and qualified students to have information removed from the classification by notifying the school of their desires within a specified period of time. The

notice must be given by such means as are reasonably likely to inform the parent or qualified student. The precise method of giving this notice has been left up to the individual school or school districts. Some schools send individual letters to parents, others publish the notification in a student handbook, school catalog, or school newspaper. The notice must be given at least annually. The parent has the burden to tell the school that such information is not to be released. This must be done within 15 days after enrollment in Beekman Charter School. Information regarding students who had requested that such data be removed from the directory information classification can only be provided to recruiters with the specific prior written consent of the parent or qualified student concerned.

TARDY POLICY

Tardiness is defined as arrival at school after 7:40 a.m. or arrival to any class period after the tardy bell rings. Tardiness shall only be excused for the same reasons that absences may be excused.

TECHNOLOGY USE POLICY

Beekman Charter School is proud to offer technology to our students for the purpose of enhancing student achievement. The following rules shall apply to students who utilize technology for school purposes.

- School owned technology may only be used for educational purposes.
- Students shall not use any school owned electronic device or any personally owned electronic device (including, but not limited to: computers, ipads, electronic tablets, smart phones, or electronic notebooks) while on the Beekman Charter School campus unless they have been given permission of a staff member.
- Students shall not have school email accounts unless administered by faculty and shall not access personal email while on the school campus.
- Students shall not use any electronic device to access any material which is considered offensive by generally accepted community standards while on the campus, any school bus, or at any school sponsored function.
- Students shall not use an electronic device to access social media while on the school campus.
- Students shall not use any form of technology while on or off campus to do any of the following:
 - Threaten to harm a student, staff member, or any stakeholder in Beekman Charter School if such a threat is implied or specifically stated to be carried out at school or is connected with school in any way.
 - Show any form of disrespect to a staff member which might compromise another student's respect for that staff member.
 - Disrupt the process of education at Beekman Charter School.

Students who violate the technology use policy shall be subject to a minimum of morning detention and a maximum of a recommendation for expulsion. The principal or assistant

principal shall have the authority to determine the severity of the offense and the consequences assigned.

TELEPHONE

Students must have permission to use the office phone. In the event that a student receives an emergency call, he/she will be called out of the class. If not an emergency, a message will be taken and given to the student during his/her lunch break.

TEXTBOOKS

Students are responsible for their textbooks. Students must replace a lost textbook by paying the current cost of the book. Damage to textbooks will be assessed based on the severity of the damage.

TOILET TRAINING

Students enrolled in preschool and beyond must be toilet trained before attending Beekman Charter School. A student having frequent accidents is not considered toilet trained. We do understand that even toilet trained children will occasionally have accidents. By definition, “accidents” are unusual incidents and should happen infrequently. If an accident does occur and the student is not capable of changing themselves, you will be required to come to the school and assist your child.

Why do children have to be toilet trained before they begin school?

- There are strict standards for changing and disposing of wet or soiled clothing and our classrooms are not equipped for this.
- When the teacher or other staff member is changing soiled clothing, instructional time is lost in the classroom.
- Direct supervision and interaction with other students are halted when the teacher is changing a student.

This policy is intended to ensure the safety and happiness of our students and faculty at Beekman Charter School. We appreciate your cooperation and understanding in this matter.

VIDEO AND AUDIO MONITORING POLICY OF BCS PROPERTY

Beekman Charter School (BCS) recognizes a need to strike a balance between an individual's right to be free from invasion of privacy and the school's duty to promote a safe environment for all employees, students, and visitors. In accordance with that need, BCS shall authorize the use of video and audio cameras on school property, buildings, facilities, and/or vehicles in an effort to ensure the health, safety, and welfare of all employees, students, and visitors, and to safeguard school facilities and equipment.

BCS shall notify employees, students, and visitors that video/audio monitoring may occur at the following locations:

1. BCS property, including buildings and facilities;
2. Parking lots and school grounds belonging to, leased by, or used by BCS;
3. Any vehicle owned or leased by BCS or used to transport employees, students, and/or visitors conducting BCS business;
4. Any BCS sponsored event, activity, or function.

Notification shall include the prominent display of signs near the main entrances of BCS buildings and facilities.

Video and audio cameras may be installed in public areas where monitoring is deemed necessary as determined by the BCS Principal. While video and audio cameras may be posted in hallways, the gymnasium, the cafeteria, outdoor walkways, and some classrooms/labs, placement shall not be allowed where employees, students, and visitors have a reasonable expectation of privacy. No video/audio monitoring equipment shall be placed inside any restrooms or locker rooms. Video and audio equipment installed in outdoor areas shall monitor only those areas designated. To the extent possible, the equipment shall not be directed to record through windows of adjacent buildings or onto adjacent properties.

The use of video and audio monitoring equipment on school grounds shall be supervised and controlled by the principal and/or School Resource Officer or their designee(s) in conjunction with the BCS Board. The video/audio monitors shall be located in a strictly controlled area allowing only authorized or designated personnel to have access to the monitors. No video monitoring equipment shall be used for public viewing.

BCS shall provide reasonable safeguards, including, but not limited to, password protection, network security, and control of physical access to protect the monitoring system from vandals and unauthorized users. Proper training shall be provided for all authorized users. BCS employees, students, and/or visitors shall be prohibited from unauthorized use of, tampering with, or otherwise interfering with the placement or operations of the video/audio monitoring equipment. Any individual found to deliberately touch, block, and/or damage the equipment in an effort to cause the monitoring to malfunction will be subject to appropriate disciplinary actions, including termination, expulsion, or possible criminal prosecution by the appropriate law enforcement agency.

Recordings made through BCS' video/audio monitoring equipment shall be confidential. The recordings may only be viewed by the principal and/or School Resource Officer or their designee(s). In the event a recording reveals activity the principal and/or School Resource Officer believes violates BCS Board policy and/or state/federal law, the Principal or School Resource Officer may turn over such recording to the appropriate law enforcement authority. If any individual on such a recording is a student or employee of BCS, that individual shall also be subject to appropriate BCS disciplinary actions, including termination or expulsion. Recordings may be used to confirm or verify (1) an incident violating BCS Board policy and/or state federal law has taken place; and (2) the identity of the individual(s) involved.

Recordings may be copied and provided to the BCS Board, public safety agencies, the Morehouse Parish District Attorney, and/or any other appropriate law enforcement personnel when approved by the BCS School Board and/or subpoenaed for any court proceeding. Recordings shall not be copied, distributed to, or viewed by any other person or agency not referenced above except when specifically requested by the Principal and/or School Resource Officer and approved by the BCS Board.

The video/audio monitoring shall operate twenty-four (24) hours per day, seven (7) days per week. Recordings will be stored in a secure location for no more than 30 days. Recordings made on BCS property or at school sponsored events or activities shall be maintained by the Principal.

Recordings may become a part of a student's educational record or an employee's personnel file. BCS shall comply with all applicable state and federal laws, as well as BCS Board policies related to the maintenance and retention of such records.

Generally, recordings made through BCS' video/audio monitoring system shall not be considered public records. Access to personal information contained in any such recording may be granted in whole or in part to an individual upon submission of a properly executed subpoena.
