

YOUR CHOICE

SINCE 1905

PERFORMANCE • INTEGRITY • INNOVATION • QUALITY • SERVICE

As a leader in the building materials industry, Building Products of Canada has contributed to the construction and renovation of thousands of homes and buildings across Canada. Our roots go deep and we pride ourselves in honouring traditions such as quality craftsmanship, establishing meaningful relationships, and providing unparalleled service.

Whether you distribute, install, or use our products, we are committed to providing you with nothing but high-quality products and service, so that we can truly be **YOUR CHOICE**.

STEP 4: SHINGLES

YUKON

30-YEAR WARRANTY

A perfect blend of style and ruggedness

YUKON 3-tab shingles are strong and durable so that their performance won't falter even in the toughest weather conditions.

Use them as starter shingles and hip & ridge to complement Everest laminated shingles or use them on their own for a distinctive 3-tab pattern.

Product colour shown: ***Weathered Rock***

SILVER GREY

TWILIGHT GREY

BROWN STONE

COBALT BLACK

WEATHERED ROCK

DRIFTWOOD

FOSSIL WOOD

AUTUMN BROWN

SUNSET CEDAR

NOTE: Due to limitations of the printing process, actual shingle colours and granule blends could be different from the photos. It is recommended that you view a full size shingle before making a final colour selection. We reserve the right to change colours at any time.

STEP 4: SHINGLES

DAKOTA

25-YEAR WARRANTY

A time-tested shingle

DAKOTA offers a vast selection of elegant colours; each features a subtle tonal drift, creating a dynamic look that matches a range of home styles. Use them as starter shingles and hip & ridge to complement Mystique laminated shingles or use them on their own for a distinctive 3-tab pattern.

2-TONE BROWN

NOTE: Due to limitations of the printing process, actual shingle colours and granule blends could be different from the photos. It is recommended that you view a full size shingle before making a final colour selection. We reserve the right to change colours at any time.

BP Canada's **Dakota, Yukon, Everest, Mystique, and Vanguard** shingles all feature our exclusive Weather-Tite® technology. This patented breakthrough technology has been proven to hold its own against the elements while delivering superior protection against water infiltration.

WEATHER-TITE® PLUS - OR WHY SEALANT MATTERS

Surface uplift can leave shingles deformed and prevent them from properly sealing. Water, dust, and debris that find their way across a sealant strip can also render the seal ineffective. In both instances, the shingle is left exposed to wind-driven water infiltration and wind blow-off. That is why it is crucial that the adhesive seals off quickly after the installation.

With that in mind, our research and development team worked on ways to optimize the efficiency of the adhesive on our shingles.

The result? **Weather-Tite® Plus**. By improving upon the sealant itself and the way it is applied on the shingles, we were able to develop a sealing mechanism so efficient that it allows us to offer standard protection against winds of up to 220 km/h on all the shingles it is applied on, such as Manoir – no special installation method required!

220 km/h corresponds to wind speed found in a Category 4 Hurricane

YOUR ULTIMATE PROTECTION AGAINST WIND BLOW-OFF

WIND WARRANTIES

	STANDARD Installation Method	HIGH-WIND Installation Method*	
MANOIR	220 km/h ► 135 mph	NOT APPLICABLE	
VANGARD	180 km/h ► 110 mph	220 km/h ► 135 mph	
EVEREST	180 km/h ► 110 mph	220 km/h ► 135 mph	
MYSTIQUE	180 km/h ► 110 mph	220 km/h ► 135 mph	
YUKON	180 km/h ► 110 mph	200 km/h ► 125 mph	
DAKOTA	180 km/h ► 110 mph	200 km/h ► 125 mph	

* High-wind installation method must be followed for high-wind warranty to apply.

Weather-Tite® ROOFING SYSTEM *Exclusive to BP!* WARRANTY

Install BP products, manufactured for quality and compatibility, to get the best return on your investment as well as long-lasting peace of mind.

UNIQUE to BP

Eligible Buildings: Single-family home (or row house with a physically delimited roof) provided the individual is the sole owner of the home that serves as the owner's residence.

DISCLAIMERS: ¹ For **NON RESIDENTIAL** buildings, please refer to our website at bpcan.com. • ² Warranty limited to the original labour and materials cost. • ³ Applies to **DAKOTA** 3-tab shingles. • ⁴ Applies to **YUKON** 3-tab shingles.

Please visit bpcan.com to review all legal documents and requirements for the **Standard Warranty (Standard Limited Warranty)** and **Weather-Tite® Roofing System Limited Warranty**.

FOR MORE DETAILS ON THE WEATHER-TITE® ROOFING SYSTEM, PLEASE TURN TO PAGE 12.

**YOUR ROOF
YOUR ROOFER
YOUR PEACE
OF MIND**

ENTRUST YOUR PROJECT TO A BP CERTIFIED ROOFER

In order to become **BP CERTIFIED**, roofers must first comply with our strict list of requirements.

By hiring a **BP CERTIFIED ROOFER**, you are entrusting your project to a highly qualified expert who will ensure your roofing work is completed with absolute care and precision, and who will:

- *Verify the condition of your roof deck and recommend any necessary repairs;*
- *Determine the ventilation required to meet building code standards;*
- *Propose specific work, if required, such as the installation of eavestroughs or ventilated soffits;*
- *Present a complete range of BP shingles suited to your roof and your budget;*
- *Execute the work according to industry standards;*
- *Clean the work area and remove all debris from your property.*

Only a CERTIFIED ROOFER can offer our extended warranty, a lifetime warranty which includes 50-year non-prorated coverage.

Visit bpcan.com/documentation/ for complete warranty details.
