

PETERBOROUGH CITY COUNCIL (LA)

SCHEME FOR CO-ORDINATION OF PRIMARY ADMISSIONS FOR SEPTEMBER 2025

1. Introduction

1.1. All local authorities are required to formulate a scheme to co-ordinate admissions during the normal¹ admissions round to maintained primary schools (including academies but excluding maintained special schools and maintained nursery schools) within their area.

1.2. Co-ordination for September 2025

Peterborough City Council (LA) will notify the Secretary of State for Education by 28 February 2024 that agreement to its co-ordinated scheme for admissions has been secured and has provided him/her with a copy.

1.3. Admission Criteria

Under the co-ordinated scheme, the LA, as the admission authority, will set and apply the oversubscription criteria for all maintained community and voluntary controlled schools. Academies, voluntary aided, free and foundation schools will set and apply their own oversubscription criteria.

2. Aims of the Primary Scheme

- 2.1. Co-ordination schemes are intended to simplify the admissions process whilst reducing the likelihood of any child being left without a school place. Co-ordination establishes a mechanism that ensures that, as far as is reasonably practicable, every parent of a child living in a local authority area who has applied to a maintained school is sent a single offer of a school place by their local authority.
- 2.2. Co-ordination schemes do not affect the rights and duties of the governing bodies of voluntary aided and foundation schools to set and apply their own admission arrangements and oversubscription criteria, nor for academies and free Schools to agree their own arrangements with the Secretary of State. Admission authorities do not have to determine the same or similar oversubscription criteria but must ensure that their own admission arrangements are compatible with, and do not undermine, the coordination scheme for their area. These arrangements are required to:-
 - Meet all statutory requirements relating to the co-ordinated admissions process
 - Ensure that the needs of the child and the wishes of the parent(s) are the prime considerations;
 - Ensure that as many parents as possible gain a place for their child at one of their preferred schools;
 - Ensure that every child living in the LA area who has applied for a school place in the normal admission round is issued with an offer letter on the agreed offer letter date;
 - Specify how late applications should be dealt with and how applications that fall outside of the normal admission round should be dealt with;
 - Ensure that all parties to the admissions process work together to achieve the above aims, within the limits of the legislation relating to school admissions.

¹ The School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements (England) Regulations2012

3. The Scheme

3.1. The scheme shall:

- apply to all community, voluntary controlled, voluntary aided, foundation and academy primary schools in the LA area;
- ensure that a fair and transparent system for the allocation of school places is achieved;
- require the LA to produce a guide for parents (composite prospectus) providing
 information to parents about the primary admissions process; the application
 procedure and containing information relating to the criteria by which every
 maintained primary school, or Academy, in Peterborough shall determine whether a
 child is to be granted, or refused, admission. This booklet will be available on the
 LA website, (www.peterborough.gov.uk/admissions) no later than 12 September,
 and in hard copy on request;
- provide a single on-line application form enabling a parent living in the LA area to apply for up to three primary² schools, whether in the LA's area or not, to give reasons for those applications and to rank them in order of preference;
- provide a paper common application form upon request for parents/carers unable to make their application through the on-line facility;
- ensure that on the national offer date (16 April, or next working day, where this is a
 weekend or bank holiday) a single offer of a primary school place is made by the LA
 to the parent of every child living within the LA area for whom an "on-time"
 application has been received within the published timetable;
- stipulate timetables for all aspects of the process;
- set out a procedure for determining any application made otherwise than in the course of a normal admission round, or where it is for admission during the normal round, any application submitted after the application deadline stipulated by the scheme;
- specify whether, in determining if a pupil is to be granted or refused a place at a school in the LA area, the LA will have regard to any information provided by another LA as to whether that pupil is to be granted a place in that LA's area.

4. The Process of Allocation

4.1. Normal admission round

This scheme will apply to all children resident in the LA area who are applying for a school place for the school's initial year of entry for the start of the relevant autumn term; either Reception Year (for all infant and primary schools); Year 3 (for all junior (KS2) schools) – the normal admission round. This scheme will apply to all admission authorities in the LA area.

- 4.2. Applications received for children transferring to Primary School will only be considered in the normal admission round where the year group applied for is the point of entry to the school. Applications received for schools where this is not the point of entry will be considered as an in year application and in accordance with the published in-year coordinated scheme.
- 4.3. For information regarding admission to these year groups and all other year groups after the start of the academic year please refer to the 'In Year Co-ordination Admission Arrangements for all Maintained and Academy Schools' scheme.

² Within this scheme, 'primary' refers to any school with an initial year of intake between Year Reception and Year 6

- 4.4. Common Application Form and the Admissions Information Booklet
 Parents are expected and encouraged to apply online. We will, therefore, limit the
 availability of a paper version of the common application form; instead signposting the
 on-line access to as many applicants as possible.
- 4.5. The LA will provide a brief guide to the application process and information on applying for a school place in advance of the application process opening to all:
 - Early Years Settings, Primary and Infant schools in respect of admission to Reception; and
 - Infant schools in respect of transfer to Junior school
- 4.6. This information will allow settings and schools to support the parents of children who are due to start or transfer to the school the following September. Electronic copies of the Admissions Information booklets, (composite prospectus) will include information and guidance explaining the operation of the co-ordinated scheme and advice on completing the application form, will be available on the council's website. Hard copies are available on request.
- 4.7. The on-line facility is available at:www.peterborough.gov.uk/admissions
- 4.8. The on-line facility, or the common application form, (whichever is used by the applicant) will collect the basic pupil/parent data required by all LAs to process the application. This will include the child's name, date of birth, address, telephone number, applicant details, primary school attended (where applicable), sibling details, and whether or not the child is Child In Care (CiC) or was previously Child in Care, in England, or overseas, but ceased to be so by reason of adoption, a care arrangements order or special guardianship order, or has an Education Health and Care Plan (EHCP).
- 4.9. The application form will allow parents to express a preference for up to three schools, to rank the preferences in order and to provide reasons for their preference.
- 4.10. Supplementary Information Form (SIF)

Admission authorities, other than the LA may have their own Supplementary Information Form (SIF) for the collection of any necessary additional information from parents to enable them to apply the school's oversubscription criteria. This may include any criteria relating to church attendance.

- 4.11. A SIF must not ask:
 - personal details about parents and families, such as maiden names, criminal convictions, marital, or financial status;
 - for any financial contribution, voluntary or otherwise;
 - details of parents' achievements, educational background or whether either the parents' or the child's first language is English;
 - details about parents' or children's disabilities, special educational needs or medical conditions;
 - about parents' or children's interests, hobbies or membership of societies;
 - for parents to agree to support the ethos of the school in a practical way; or
 - for both parents to sign the form, or for the child to complete the form.
- 4.12. Information on which schools may require a SIF will be provided in the LAs composite prospectus. Copies of the SIF will be available for download from the Council's website and will be available from the school.

4.13. All parents making applications for a school requiring the completion of a SIF must still complete an online/paper common application form. All SIFs must be returned directly to the school at which a place is being sought by the national closing date. Any forms, which are submitted to the LA, will be date-stamped and forwarded to the relevant school.

4.14. Processing Applications

The LA will co-ordinate all applications and the offer of places for all school places in the Peterborough area (being the admissions authority for all community and voluntary controlled schools and acting as a co-ordinator for all other own admission authority schools within the Peterborough local authority area).

4.15. On time applications

An 'on-time' application is an online, or emailed, application submitted and received by the local authority admissions team no later than 23:59hrs on the National Closing Date (see timetable attached in **appendix 1**), or a hand-delivered, or posted, paper application received at the local authority offices, or a Peterborough school, within office opening hours of Monday – Friday 9am – 5pm on, or before, the National Closing Date, where this falls on a weekend.

4.16. Late Applications

Any application for the normal admission round received after the national closing date will be deemed 'late'. Late applications will be dealt with after all on-time applications have been processed and places allocated. Late applications will be processed in "rounds" and places will be allocated in accordance with the published timetable.

4.17. Verification of Data

Parents may be asked to provide proof of address by the LA at the data processing stage.

4.18. Request to Change Preferences

Once an application form has been received no changes can be made to that application after the National Closing Date has passed, unless there is a genuine reason for the change (such as a change of address or siblings have changed schools). A second deadline date (see timetable in appendix 1) applies for such changes.

4.19. Parents or carers wishing to amend preferences after the closing date, will need to complete a "Change of Preference" Form, which will be available from the school admissions webpages, or by contacting the School Admissions Team. The new application will replace any previous application. This means that parents must include any schools from previous applications if they would like them to remain as a live preference. If a school is no longer included on the most recent application form the parent, or carer, will be agreeing they are refusing any previous offer made for that school and any right of appeal against refusal of a place at that school. The parent will also be agreeing to their child's name to be removed from any waiting list for any school refused that is not included on a preference on the most recent application form. This ensures that a parent will have a maximum of three live preferences for the normal year of entry at any one time.

4.20. Children of UK Service Personnel (UK Armed Forces)

Applications received for children of UK Service Personnel will be accepted in accordance with the requirements of para 2.21 of the School Admissions Code. Applications submitted after the national closing date will be accepted and treated as having been received "on-time" where this is received with documentation specified in

para 2.21 of the School Admissions Code provided this is received by the second deadline date specified in the timetable in appendix 1.

4.21. Applicants Moving into Peterborough

Applications submitted after the closing date will only be accepted and treated as having been received "on time" where a parent can demonstrate they have made an on-time application to the local authority admissions team in which they previously lived.

4.22. All Preferences Equal

Parental preferences will be ranked by the relevant authority within the LA area according to the oversubscription criteria for the relevant school. The order of preference will not affect this ranking as the system operated is one where 'all preferences are equal'.

4.23. Own admission authority schools, who have chosen not to buy-back the validation service from the LA, will receive, through SAM, information about all preferences received for their school and will be asked to rank these preferences in accordance with the published timetable. Children will be ranked according to the school's determined over-subscription criteria and not by the order of their preference. These schools will provide the LA through SAM how these applications have been ranked in accordance with their admission policy and return this to the LA in accordance with the published timetable.

4.24. Allocation of Places

The LA, using preference and oversubscription criteria rankings (including those supplied by own admission authority schools), will allocate places according to each parent's preference ranking, as follows:

- Where a parent's first preference can be met, a place will be allocated at that school. The LA will then 'discard', i.e. not consider, any lower ranked preferences;
- Where a parent's first preference cannot be met, but the second preference can, a
 place will be allocated at the second preference school. The child's name will be
 placed on the waiting list for the first preference school ranked according to their
 oversubscription criteria. The third preference will be 'discarded' i.e. not be
 considered;
- Where a parent's first and second preference cannot be met, but the third
 preference can, a place will be allocated at the third preference school. The child's
 name will be placed on the waiting list for the first and second preference schools
 ranked according to their oversubscription criteria;
- Where none of the parent's preferences can be met, a place will be allocated at the
 next nearest school to the home address with available places (if the child resides in
 the Peterborough City Council area). The child's name will be placed on the waiting
 list for first, second and third preference schools ranked according to their
 oversubscription criteria.

4.25. Co-ordination with Other Local Authorities

The LA will, wherever possible, take account of higher preference offers that can be made by another local authority.

4.26. Offer Letters

Parents will receive one offer of a school place. Offer letters will provide parents with the reasons for refusing their child at their first, second or third preference schools (if applicable). It will explain that they have the right to appeal against those refusals.

4.27. Reply to an offer

Parents are required to accept/decline the allocation of a school place within 10 school days of the offer letter being sent, or posted. During that period the allocated school will attempt to contact parents to confirm if the place offered is to be accepted, or declined. No later than, ten working days after the national offer date the LA will send a chaser letter to all parents who have not confirmed their admissions decision. If, after a further 5 working days from this date, no decision has been received from the parent, the place may be withdrawn and will be included and offered as part of the "second" round of allocations.

4.28. **Declining an offer**

Parents should not decline the offer of a place unless they are certain of a place at an alternative school. (This does not remove a parent's right of appeal to a school they are on the waiting list for, but should ensure that all children have a school place.)

4.29. Co-ordination after allocation day (16 April)

The School Admissions Code (page 41 "The Admissions Timeline") clarifies that parents must continue to apply to their home local authority for "late" applications for the normal admissions round (i.e., between 16 April and 31 August for reception and junior to middle transfer). This will ensure that places which become available are re-allocated effectively and duplicate offers are avoided.

5. Waiting Lists

- 5.1. Waiting lists for all oversubscribed primary schools will be maintained by the LA until co-ordination ends, i.e. 31 August. Where the school manages their own in-year admission process the LA waiting list will be sent to the own-admission authority school and the school will then maintain this list directly. Waiting lists are held in strict oversubscription criteria order. Applicants will be ranked according to each individual school's oversubscription criteria and the LA will continue to coordinate with own admission authority schools to allocate places from those lists, if places become available.
- 5.2. After the offer date there will be no distinction between 'on-time' and 'late' applications on waiting lists.
- 5.3. Schools must advise the LA when a place becomes available. The LA will then offer the place to the child who is at the top of the waiting list.
- 5.4. Parents will be asked to confirm that they wish to stay on a higher preference school's waiting list when accepting an offer of a place at a lower preference school. A child's details will not be added to a school's waiting list if a higher preference school has been offered. Declining a place when offered a preference school will automatically remove them from the waiting list.

- 5.5. If, after a child is offered a place at a lower preference school which they have not yet started, a place becomes available at a higher preference school and their name has been added to the waiting list for that school, the original offer will be withdrawn and a new offer is made. The reason for this is that the child will not yet have started or placed on roll at that lower preference school, and we are obliged to meet a parent's highest preference. If a parent is happy to accept and keep the lower preferred offer, they must inform the LA to remove them from the higher preference school's waiting list, or the offer for the lower preference will be withdrawn and their place (at the lower preferred school) will be offered on to the child who is top of the waiting list for that school.
- 5.6. After the offer date, if a parent wishes their child to be considered for an alternative school, a new online application must be completed listing the new order of preferences.
