**Withdrawal Policy**

Students wishing to withdraw from the program must provide a written notice of their intention to withdraw at least 30 days prior to their desired withdrawal date. The notice should include the student’s name and the intended last day of participation. Submit a written notice of withdrawal to the program office. The notice must be submitted via email or delivered in person. Upon receiving the withdrawal notice, the program office will confirm receipt and provide any additional instructions or required forms to complete the withdrawal process. Students who withdraw without 30 days notice will be responsible for that month’s tuition, tuition is charged by the month.
