Smiles Club Agreement

The Smiles Club Terms and Conditions:

The Smiles Club membership is renewable on a yearly basis. The price is subject to change at renewal. Membership is non-refundable and all benefits are usable in the 12-month period after membership is paid in full. There are no exceptions to this policy. The Smiles Club entitles members to a generous 15% courtesy or other financing options; therefore, we require that all treatments be paid in full at the time of appointment. If using 3rd party financing, i.e. CareCredit or Cherry, to extend payments, discounts will be adjusted to 10% total to account for our finance charges. This plan may not be combined with any other offers, other plans or insurance submissions. If you get dental insurance while under this membership it will forfeit the Smiles Club.

The membership has a maximum of \$5000.00 per the 12-month period. These plan benefits are non-transferable and this plan is subject to change.
