## From the President

Dear Friends,

Summer is upon us, 90-degree weather and all. For WDC there are big changes afoot: At our Annual Meeting on June 30, WDC members will elect the new Executive Committee leadership for our next two years. To help usher them in, we'll be joined by Congressman --and WDC member-- Jamie Raskin. Sign up below!

We are excited by the slate from our Nominating Committee:

President: Leslie Milano  
First Vice President: Laura Stewart  
Second Vice President: Lorna Forde  
Third Vice President: JoAnne Koravos  
Secretary: Martha Morris  
Treasurer: Mary Lou Fox

Read the bios of these accomplished women [below](#), and [sign up](#) to hear from Congressman Raskin and to elect WDC's new leadership.

The challenges we face are wrapped up in our staggering social, racial and economic inequities. The upcoming Juneteenth commemoration marks the date the last enslaved people learned of their freedom. That was 1865. Today, over 150 years later, we're still addressing the legacy --haltingly. WDC will keep collaborating with Democratic and civic groups to advance justice at the state and county levels on issues like pay equity to close the "motherhood gap," fair resource allocation across schools, and criminal justice reform.

Another challenge is the Republican-led assault on voting rights at the state and federal level. WDC will continue to partner with organizations leading the work to educate and register voters, support Democratic candidates in swing districts, and shine a light on these un-American, anti-democratic, fascist efforts.

As the late Congressman Elijah Cummings wrote in his book, "We're better than this." Help us prove it.

Democratically yours,  
Diana Conway, President

### Help Pass the *For The People Act*!

Republicans have introduced at least 361 bills with restrictive provisions in 47 states. The one that passed in Florida last week is just the latest one to be voted through. We must stop these efforts in their tracks -- and the For the People Act will do just that.

The For the People Act (HR1/S1) will safeguard voting rights, mandate independent redistricting commissions, increase transparency in campaign financing, and more! It's passed the House -- now we need to get it through the Senate, which will likely include ending or modifying the filibuster. You can help by calling constituents of key Senators and asking them to tell those Senators to let this bill have a vote on the Senate floor. Sign up now:

- To make calls with DoTheMostGood, click here:  
<https://www.mobilize.us/commoncause/event/380035/>
- Or choose any of the For The People Act phonebanks listed on the Common Cause Mobilize home page at <https://www.mobilize.us/commoncause/>

DoTheMostGood works through this Common Cause platform every Sunday, 12:00-2:00 pm, as long as needed, organized by WDC Board member (and DTMG Exec Director) Barbara Noveau. DTMG leaders will train you so you can equip the voters you call to talk to their senator, using up-to-the-minute talking points from Common Cause.

**SSPA agrees with President Biden: June should be a month of action on Capitol Hill for voting rights. Let's help make that happen!**

The For The People Act will come to a vote this month. Not passing it means waves of increased voter suppression, continued partisan gerrymandering, unchecked secret political donations... and this isn't just idle guessing. The Brennan Center reports that this year has been the most active period of voter suppression in recent history. Time to act! If you want to brush up first, check out our [resource page](#). While you're there, you'll also find a link to templates - so send an email or text to a friend in another state. And then, please sign up on our [calendar page](#) for the below actions:

**This Thursday night 6/10**, [join our phonebank](#) to register likely Dem voters in Pennsylvania. Zoom and in-person (fully-vaccinated only, please) options! We cannot continue to rely on 48 firm D votes in the Senate - we MUST get PA on the blue side.

**Register for our [Juneteenth program](#) (on 6/16)** in honor of the work of Black Americans fighting for the right to vote and racial justice. It's even more important this year because of voting threats and because of the three organizations we're supporting. Come meet these great speakers:

- Black Voters Matter, who played a key role in turning GA blue this past cycle, and in stopping the horrendous voter suppression bill in TX.
- BLOC in Wisconsin, who turned out the vote to turn WI blue, and is expanding political power and representation of WI's Black communities.
- Pennsylvania Voice, 30+ organizations, including interfaith groups, working to expand political engagement in PA's communities of color.

Continue to hold June 26 for the "Freedom Ride for Voting Rights" - Black Voters Matter's voter outreach bus tour from MS to DC!

### DTMG Phonebanks on Thursdays & Sundays

DoTheMostGood is launching a new partnership with End Citizens United / Let America Vote to host [Phone Banks For The People](#) on Thursday evenings.

Our country needs the For the People Act (H.R.1/S.1) if we hope to rein in corporate interests, end partisan gerrymandering, ban dark money, and protect our freedom to vote. President Biden has asked for the bill to come to his desk quickly, but we need your help to make it become law!

[Sign up here](#) to join us as we call voters across the country and patch them through to their Senators to strongly urge them to pass the For the People Act. Shifts will begin with a quick training session, and all you'll need is your computer and some headphones.

DTMG is continuing to host phonebanks to pass the For The People Act on the Common Cause platform every Sunday from 12-2pm as long as needed. [Sign up here!](#) These are patch-thru calls: you call friendly voters in a pivotal state, explain what's at stake in S1, and ask if you can patch them through to their Senator to deliver this urgent message.

### Tell Sen. Cardin: Support Filibuster Reform!

While Maryland Senator Ben Cardin is a sponsor of the For the People Act, he has not committed to supporting the reform or elimination of the filibuster—the relic that needs to be out of the way if the For the People Act is to succeed. Constituents have the loudest voice—just a simple message from you, for example: "Senator Cardin, as a constituent, I welcome your support of the For the People Act. However, the filibuster looms as a fatal obstacle. I urge you to support elimination or reform of the filibuster to help this crucial bill pass the Senate."

To contact Senator Cardin:

## Community Resources

**The Montgomery County COVID-19 Rent Relief Program** provides short-term rental assistance to eligible households who have experienced lost income due to the COVID-19 pandemic that has caused them to fall behind on their rent. The program is managed by the County's Department of Health and Human Services (DHHS) with funding from the U.S. Department of the Treasury Emergency Rental Assistance Program.

While funds are available, the program will provide up to \$12,000 to eligible households to pay for back rent owed and/or pay for up to three months of future rent. For households below 30% of the Area Median Income (AMI), additional financial help may be available. Funds awarded will take into account any other local, state, or federal assistance received to pay rent.
