Fresh

THANK YOU FOR CHOOSING AVI FRESH

As of 2026, AVI Fresh at Kenyon College remains the regional leader in sustainable dining. We believe that sourcing locally provides our guests with superior nutrition and flavor while directly reinvesting in our community. Every serving of beef and pork is sourced within a 30-mile radius, and our seasonal produce is harvested daily by local farmers to ensure peak freshness. Beyond meat and produce, we partner with over 60 regional vendors to supply our grains, honey, cheese, eggs and much more! To maximize the nutrients and flavors of our local harvest, our talented executive chef and on-site catering team curate seasonal menus of the highest quality. Whether you have questions regarding our local food sourcing, preparation methods, or specific allergen requirements, please reach out, we are here to serve you. We appreciate your patronage and thank you for supporting our local community. To learn more about these initiatives or view daily menus, visit the Kenyon College Dining Services page or check local sourcing updates via AVI Fresh.
