MOBILE VAN VALETING

***Please note:** Van Valeting Prices are based on vans in average condition and reflect the time taken. Valeting heavily soiled vans, removals of pets' hair, paint spots, flooding etc may take longer, and as a result, may incur further costs.*

We reserve the right to amend all prices on inspection.

NEW FOR 2022

Pure water valeting (included in all our valets for added quality.)
Smartsan Interior Sanitising (included in all our valets for added reassurance.)

RETURN TO LEASE or PREPARE TO SELL VALET

Small £110, Medium £140, Large £170, XL £200

Return to Lease valet saves you time & potentially money.

When first impressions count, your vehicle exterior must be clean & blemish free. The interior must be clean, odourless & with no staining.

The return to lease valet allows the inspector to quickly assess the vehicle condition.

Prepare to Sell valet saves you time & potentially money.

Targeting areas where the first impression counts, we can make your vehicle more desirable & potentially sell more quickly with the potential to get more money.

Smartsan Interior Sanitising (included in all our valets)

We sanitise your vehicles interior giving you extra piece of mind & extra confidence that your vehicles interior is safer.

All our valets include the Autosmart 2 stage '**CLEAN IT - DISINFECT IT - KILL IT**' – method.

We sanitise your vehicle using Autosmart Smartsan anti-microbial disinfectant which is 99.9% effective against coronaviruses, Influenza, MRSA & E-Coli.

Autosmart is a virucidal disinfectant designed for general disinfection of premises, washrooms, exterior surfaces, touchpoints, vehicle interiors and neutralising airborne viruses.

- Powerful broad-spectrum formulation effective against a range of pathogenic viruses and bacteria.
- Proven virucidal performance - tested to EN14476 vs Coronaviruses.
- Also meets EN1276 test standards vs bacteria including Influenza A (H7N9 Avian Flu), MRSA and E.Coli.

If you are in the NHS, a Carer, Teacher, Forces, Emergency services, this could be perfect for you.

Price for the Smartsan treatment is included in your chosen valet. This also includes the vehicles keys.

BIO FOGGER Surface & Air Sanitiser £30

Bio Fogger is a convenient, one shot total release solution to quickly and easily sanitise vehicle interiors and enclosed spaces. Effective at sanitising air space, surfaces & removing malodours.

All our valets include the Autosmart 2 stage '**CLEAN IT - DISINFECT IT - KILL IT**' – method, use 'Bio Fogger' to leave your vehicles interior fresh & fragrance neutral.

- Triple action formula contains three powerful biocides proven effective against a wide range of pathogens including enveloped viruses such as CoVid-19.
- Fortified with nano Silver particles to leave surfaces with a protective biostatic film.
- Can be used with vehicle's air conditioning on.
- Fresh mint fragrance.
- Silicone Free
