

MANAGEMENT'S MESSAGE

Hello Members:

As we turn the calendar to September, it's hard to believe we are on the back nine of summer. September is always a special time at the club. The days may be getting a little shorter, but there is still plenty of golf to enjoy, and we're looking forward to making the most of these final weeks.

Closing Events Are Just Around the Corner

We're looking forward to welcoming everyone for the Ladies' and Men's Closing events. These are always highlights of the season and a great opportunity to bring your league partners together one more time.

Play Responsibly | Not available to persons in Ontario. Terms and conditions apply. © 2026 Bet99

The **Bet99 Invitational** is set to become one of Alberta's premier sports and entertainment experiences, bringing

together business leaders, NHL legends, country music artists, community partners, and passionate sports fans for a full day of golf, networking, and live entertainment.

The tournament will feature **36 teams** competing in an **11:00 AM shotgun start** at our picturesque **Lakeside Greens Golf Club**.

Throughout the day, participants will enjoy premium hospitality, interactive sponsor activations, celebrity appearances, and opportunities to connect with current and former NHL players, business leaders, and community partners.

The Intimate Evening Concert following the tournament will begin at **7:00 PM** and is headlined by Canadian country stars **Chad Brownlee** and **Jason Blaine**.

There are still several opportunities to test your game before we officially call it a season. As we approach the final tournaments of the year, we encourage members to get those last competitive rounds in, enjoy the camaraderie, and take advantage of the great fall playing conditions.

And, of course, we're already looking ahead to one of the most anticipated events on the fall calendar...

The Ironman

Our Ironman Tournament on **October 17** will bring the season to a fitting conclusion. It's a unique challenge and a great way to finish the year with a little extra competition, plenty of laughs, and the opportunity to see who has what it takes to conquer the always "daunting pin placements" late in the season.

We encourage everyone who is participating to start getting ready now. October golf can bring some interesting conditions, so come prepared for sun, rain, snow and wind, bring your best game, and most importantly, enjoy the experience.

Thank You for a Great Season

As Management, we want to take this opportunity to thank all of our members for another fantastic season. A golf club is about so much more than the course — it's the people,

the friendships, the traditions, the competition, and the shared experiences that make each season special. We're grateful for the support, enthusiasm, and energy you've brought to the club throughout the year. As we head into September and October, let's enjoy every remaining round and make the most of the time we have left on the course.

Here's to a strong finish, some great fall golf, and plenty of memories still to be made.

See you on the course!

Report on Capital Improvements Assisted by the City of Chestermere

Lakeside Golf Club received significant support from the City of Chestermere throughout the 2026 calendar year. The City's financial assistance and resources have enabled us to address a number of important infrastructure, safety, and operational needs that had been outstanding for some time.

The following is a summary of the major projects and initiatives undertaken with the City's support.

Bridge Replacement – Hole 6

The bridge crossing the spillway between Holes 6 and 7 had deteriorated to the point of near collapse and represented a significant safety hazard. The old structure was replaced with a land bridge over a large culvert, including the associated repair work on the tee-box side of the bridge leading to Hole 3.

Fire Alarm Panel and Fire-Rated Doors

Due to fire-code requirements, the entrance door to the restaurant and the door in the hallway between the golf shop and locker rooms are required to be fire-rated. These doors must technically remain closed at all times and cannot be propped open with a doorstop.

A fire alarm system equipped with magnetic door holders provides a compliant solution by allowing the doors to remain open during normal operations while automatically releasing them if the fire alarm is activated. A new fire alarm panel with the mechanisms required to control these doors was installed prior to opening for the season.

Clubhouse Flooring

The flooring throughout the clubhouse had been in poor condition for a considerable period of time. Over the past winter we were able to replace much of the flooring, significantly improving both the appearance and functionality of the clubhouse.

First Tee Starter Building

For many years, the Club had identified the need for a proper, functional starter building at the First Tee. This new building will be a valuable asset to Lakeside Golf Club and will serve the Club and its Members for many years to come.

Course Washroom Improvements

The deteriorating condition of the course washrooms, particularly the facility located at Hole 5, had been a significant concern. We are currently completing the final exterior renovations to the Hole 5 washroom, along with the re-roofing and repainting of the washroom at Hole 14.

Flooding and Drainage Support

Once again, Lakeside faced considerable challenges in 2026 as a result of flooding caused by the uncontrolled flow of water beneath Chestermere Boulevard and across the 12th fairway.

The flooding affected our pump station for an extended period and also caused significant damage and disruption to the cart paths on Holes 2, 3, and 12.

We again required a large-capacity pump to assist in removing water from the pond on Hole 1 and redirecting it to the pond on Hole 10, and ultimately into the swales leading toward the lake. The City generously provided us with the use of its diesel pump and covered the cost of the fuel required to keep it operating.

Parking Lot and Grounds Yard Improvements

If you have played the course recently, you will likely have noticed the gravel placed along the south side of the parking lot. The gravel, supplied by the City, along with the manpower required to spread and compact it, has helped address the numerous potholes and significantly improve the condition of this area.

New Maintenance Equipment

Lakeside has acquired some badly needed turf equipment, including a new Kubota skid steer, a new rough mower, and several utility vehicles. These pieces of equipment were all desperately needed to support the Club's ongoing maintenance and operational requirements.

A Significant Investment in Lakeside

Without question, the City of Chestermere has had a tremendous impact on the infrastructure and operations of Lakeside Golf Club in the relatively short time that it has owned the course.

Our management team is extremely grateful for their support and the significant impact the City of Chestermere has made in just a few short months.

There is still much work to be done at Lakeside, and we recognize that improvements of this scale cannot happen overnight, but these achieved improvements are extremely encouraging for the future of the golf course and the broader community.

We look forward to continuing to work with the City of Chestermere to improve Lakeside and ensure that it remains a valuable recreational asset for the community for many years to come.

Cheers,
Glenn Carr – General Manager

As the end of August happens, it traditionally marks the end of summer employment for our high school and university students. Our Golf Shop and Back Shop employees will slowly transition from working lots to hardly being seen at the club due to their academic requirements. Please make sure to take some time to thank those that have helped you out in anyway. They have tried to do their best all summer long, with all of the requests I'm sure we've had a few instances where staff has gone above and beyond to make your life easier. **Thank you to all our staff** for their hard work and numerous extra hours put in to make Lakeside a special place.

Member Event Recap

The past month was a busy one with **3 Member Events**. Men's, Ladies and Senior Club Championship kicked off the month with some new and familiar faces taking home some hardware.

Congrats to the following Club Champions:

- Ladies: Sue Christison
- Ladies Low Net: Sue Christison
- Men's: Trevor Wood
- Men's Low Net: Mitch McAllister
- Senior Ladies: Sue Christison
- Senior Men's: Barry Porter
- Senior Men's Low Net: Ken Elias
- Super Senior Ladies: Shirley Handel
- Super Senior Men's: Ken Prusky

The Ladies and Men's Chestermere Cup was held in August as well with **Team Red** providing the clean sweep of both Chestermere Cups for another season. Congrats to

both the Men's and Ladies Teams for a couple of great weekends. We look forward to seeing if Team Blue can right the ship next year.

Upcoming Member Events

- September 12th, 2026 – Ladies League Closing – 2:00 pm Shotgun (sign up through Golf Genius)
- September 13th, 2026 – Members Closing – 9 am Shotgun (sign up in through Golf Genius)
- September 19th, 2026 – Men's League Closing – 2:00 pm Shotgun (sign up through Golf Genius)
- October 17th, 2026 – Iron Person – 12:00 pm Shotgun Start

Junior Golf

This season saw 9 juniors competing across the province and country. It's been fun to watch our juniors grow, compete and represent Lakeside Golf Club. **Thanks to Griffin Maillot, Gryphon Prusky, Connor Riou, Markus Dalakoudis, Bennet Hoetger, Brody Black, Reid Ruttan, Chloe Major and Justine Leon** for representing Lakeside and helping put Chestermere on the golfing map.

With the exception of the one final event (Parent/Child – which is sold out) our junior program has concluded for another season. **A big shout out to Emerson Green** for doing a commendable job in running the junior program. Emerson was tasked with bringing some new ideas and energy to the junior program this year and he exceeded on all accounts.

The introduction of the Youth Golf League was a great success, although weather killed momentum early. The juniors that played enjoyed the opportunity to win the coveted **YGL Jacket** and earn points along the way. Emerson added a passport book and badge program to the Junior Develop Program, a modified yardage program to help our younger juniors grow and develop and continued to run several camps for all ages across the summer. We saw a **record 94 sponsored & junior members and close to 150 juniors** go through our entire junior program this summer. It was a heck of a year for junior golf at Lakeside Golf Club.

Quick Reminders

Shop Account Credits need to be used up by the end of the season, so jump into the golf shop and start shopping while sizes are still available. Account Credit are only available to be used in the golf shop on merchandise, make sure you indicate you want to use them at the till, **so let's go shopping!**

Also, if you have any remaining lessons, please get in touch with your instructor and make a game plan to use them up before the end of the calendar year. You can also make arrangements with your Pro to use them next season or indoors with the trackman simulator. Don't let those lessons go to waste, let us help you play better golf for the last couple of months of the season!

All the best,

Tyler Willner - Head Golf Professional

MAINTENANCE

A Look Ahead at the Course

As we move into September, we begin to see the first signs of the changing season around the golf course. Cooler temperatures, shorter days, and changing growing conditions all play a role in how we manage the course throughout the upcoming month.

Grass growth will begin to slow as daylight hours decrease and temperatures cool. This seasonal slowdown allows our team to shift some of our focus toward preparing the course for the fall months while continuing to maintain the playing conditions.

Frost Delays

With cooler overnight temperatures, frost delays will typically begin to occur in September. Frost can be particularly damaging to turf when it is walked or driven on, so delays are sometimes necessary to protect the health of the grass.

Greens Aeration Recovery

Our greens aeration has recently been completed, and the greens are healing up accordingly. The recovery process will continue throughout the coming days as the turf fills in and returns to its normal smooth surface.

Aeration is an important part of maintaining healthy putting surfaces. While there may be some temporary disruption to playability, the long-term benefits to the health, and performance of the greens make this work essential.

Thank you for your patience while the greens recover.

Horticulture & Flower Beds

Our horticulturist, Emily, has been busy giving some attention to the flower beds around the course. This month, she is **renovating the flower bed near the tee boxes on Hole #3.**

This project will refresh the area and help keep the landscaping around the course looking its best as we move into the fall season. We look forward to seeing the finished result and appreciate the work Emily continues to put into the course's horticultural areas.

Quaid McBean - Golf Course Superintendent

LAKESTIDE BISTRO

Soak Up the Last Days of Summer at the Club

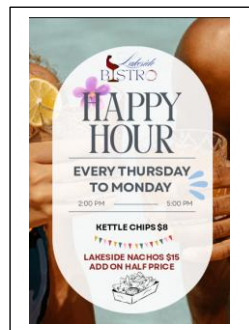

As summer begins to wind down, there's still plenty of reason to get out, enjoy the sunshine, and make the most of the season with great food, cold drinks, and even better company.

Happy Hour & Patio Season

Our Happy Hour runs **Thursday to Monday from 2:00 pm to 5:00 pm**, is the perfect excuse to unwind after a long day. Grab a friend, settle onto the patio, and enjoy soaking up those beautiful end-of-summer rays. Whether you're catching up with friends,

meeting colleagues, or simply enjoying a little time for yourself, our patio is the place to be as we savor the last of the warm-weather days.

Looking for a date night option?

Skip the cooking and join us for a relaxed evening with delicious food, drinks, and a welcoming atmosphere. It's an easy way to turn an ordinary evening into something a little more special.

Friday Wing Night

And, of course, **Friday Wing Night** is always a favorite! Bring the whole crew and dig into our amazing wings while kicking off the weekend. It's casual, fun, and the perfect Friday tradition.

Bring Your Four-Legged Friends

Don't forget about our doggie deck area! Your furry family members can join in on the fun while you enjoy some time outside. Because summer is better when everyone gets to come along!

A Big Thank You to Our Student Team

As the school year approaches, we'll be saying goodbye — for now — to some of our fantastic student employees as they head back to school. We're incredibly grateful for all of their hard work, energy, and the smiles they've brought to our members and guests throughout the summer. We wish them an amazing school year and look forward to welcoming them back when they're home again!

So, before the patio season slips away, make plans to join us. Happy Hour, Friday Wing Night, a sunny patio afternoon, a dog-friendly outing, or a cozy date night — there's always a good reason to gather around the table at the Bistro.

**The Final League Fairway Is in Sight!**

Well ladies, somehow, we've blinked and it's already September! The days are getting shorter, the sweaters are making an appearance, and we're starting to realize that there are only a few precious rounds left to blame our bad shots on the wind. 🌬️

What a season it has been! We've had over 100 ladies averaging each week, which is absolutely incredible. Clearly, we're not quite ready to give up our tee times, our golf carts, or our post-round laughs just yet!

🎉 Time to Get Ready for the Ladies Closing!

Mark your calendars - September 12 is the big night!

We're wrapping up another fantastic season with our Ladies Closing, and this year, by popular demand, we're bringing in Dueling Pianos! 🎹🎸

Get ready for an evening of music, laughs, singing, and probably a few questionable dance moves. Who knows — some of those competitive match-play personalities might even show up on the dance floor! So, after we put the scorecards away, trade the golf shoes for something a little more dance friendly, and celebrate all the fun, friendships, and memories we've made this season.

Start warming up those vocal cords and practicing your best sing-along moves. The only mulligan allowed that night might be on the dance floor!

🏆 Doubles Match Play — We Have Our Champions!

The competition was fierce, the putts were nerve-racking, and there may have been a few moments when friendships

were *briefly* tested. 😊 But we now have our 2026 Doubles Match Play Champions!

Congratulations to Kate Major and Sherry Strachan, who claimed the title after defeating Lucy Lora and Chris Hungerland in the championship match!

Kate and Sherry, enjoy your bragging rights. They're officially yours... at least until next season!

🏆 Singles Match Play — The Final Showdown!

And then there were two!

The Singles Match Play Championship is winding down, and we're ready for the ultimate showdown between Michelle Power and Linda Porter.

That's right — these two ladies are going head-to-head for the 2026 Singles Match Play Championship Title! Will Michelle power her way to victory? Will Linda put the competition on *porter*? (Okay... we'll stop there. 😊) Either way, we're expecting a great battle between two talented golfers. Good luck to Michelle and Linda — may your drives be straight, your putts be true, and may neither of you have to hear, "That's good, pick it up!" during the championship!

A huge congratulations to all of the ladies who took part. Match play is not for the faint of heart — one bad hole can turn everything upside down faster than a three-putt from six feet!

♥ One Last Hurrah!

As we head into the final weeks of the season, let's soak it all in. The golf, the competition, the laughs, the friendships, the good shots, the *not-so-good* shots, and all the stories that somehow get better every time we tell them.

Let's grab those clubs, enjoy these final rounds, and get ready to celebrate on September 12!

Here's to one more month of birdies, bogeys, belly laughs, and maybe a little bubbly! 🥂

See you on the course — and then we'll see you at the pianos! 🎹🌈🎸

Cheers

Ladies League Committee

Men's League

Straightline Motor Group Men's League

The 2026 Straightline Motor Group Men's League regular season is in the books, and the playoffs are officially underway.

After two eight-week regular-season halves, four teams earned their way into the A-Side Playoffs and will battle over the final four weeks for the Men's League Championship:

A-Side

- Who's Your Caddy
- Par then Bar
- Grass Masters
- Wanna Par-Tee

After Week 1, Who's Your Caddy has jumped out to the early lead, followed by Par then Bar, Grass Masters and Wanna Par-Tee.

The remaining eight teams are competing in the B-Side Playoffs:

B-Side

- Trunkslammers
- Sip It and Rip It
- Beers In...Birdies Out
- The Swinging Johnsons
- Putt Pirates
- Tommy's Tomato's
- Bogie Golf
- Sultans of Swing

Trunkslammers currently hold the early B-Side lead, with Sip It and Rip It close behind.

With three weeks still to play, there is plenty of golf left and plenty of opportunity for the standings to change before our 2026 champions are crowned.

Men's League Committee

LAKESIDE HANDICAP COMMITTEE

As you may be aware, during the 2026 golf season, Lakeside Golf Club created its first Handicap Committee.

The Committee members are Lorelei Short, Lynn Gregory, Brian Allan and Warren Smandych. At the committee's inception, our goal was to ensure that members' scores entered were reconciled through the Golf Canada Score Centre and the club's tee sheets.

Additionally, we aimed to provide members and league players with handicap updates and golf rules information. The Committee would like to take this opportunity to thank Stefan and Tyler for their assistance in getting this information out. Great job, guys!

Unfortunately, reconciliation proved to be extremely difficult due to a number of issues regarding a recent review by Alberta Golf. These included golf course rating, course distance, hole-handicap assignment, and other incorrect information. However, it is not only the rounds played versus rounds entered that impact the handicap calculation.

You may have heard that Alberta Golf recently re-measured Lakeside's course distances, and we are waiting for the results of that exercise. Once they are received, the Committee will conduct our course hole-handicap calculations and assignments. By the start of the 2027 season, we will have new, accurate scorecards that align with Golf Canada.

In the meantime, please continue to enter your scores in a timely manner. The Handicap Committee encourages members to enter hole-by-hole scores rather than total scores, as Golf Canada identifies this as the best method to ensure true handicaps.

If you have any questions or input regarding handicaps, please feel free to reach out to one of the committee members and answers will be provided as quickly as possible.

And remember -- that the Golf Canada app has loads of information. Simply click on the "More" button found on the lower right-hand corner of the opening page, then scroll down to Handicapping, Rules of Golf, or any topic you choose.

On behalf of the Lakeside Handicap Committee...
Best of luck for the remainder of this golf season!

LAKESIDE SOCIETY

September at Lakeside

Dear Members,

It's hard to believe September is already here!

We've been fortunate to enjoy some great golf, great weather and a busy summer of events at Lakeside. While the golf season may be starting to wind down, there is still plenty happening around the Club over the next several weeks.

September is shaping up to be a busy one, with several of our season-ending events just around the corner.

Upcoming Events

- **Saturday, September 12** – Ladies League Closing
Sunday, September 13 – Members Closing
Saturday, September 19 – Men's Closing
Sunday, September 20 – Parent / Child Event
- And for those who aren't quite ready to put the clubs away **Saturday, October 17** – Ironman

We also have our **Sand and Seed Night** coming up, with the date still to be announced.

A big thank you to everyone who has participated in our events throughout the summer. It's been great to see so many members out enjoying the course and everything Lakeside has to offer.

There is still lots of good golf left to be played, so hopefully Mother Nature continues to cooperate and we can enjoy a great September at Lakeside.

See you around the course!

Your Lakeside Membership Board
