### 2025

## MANAGEMENT'S MESSAGE

Hello Members:

Welcome to Fall golf, some of my favourite days of the year to play.

Life seems to slow down a bit, the air is crisp, leaves on the ground adding a new color dimension to the fairways, a more relaxed feel to things.

True, it signals the final days of the season, but hopefully everyone has had a fulfilling golf experience, and can take some great memories of the past golf year into the winter.

For some, you will transition to a warmer climate to continue your golf days, others will move to indoor locations to keep the golf bug alive until spring comes again.

By the time you read this, the transition will be complete and Lakeside will be under new ownership, the City of Chestermere. This will usher in a new era of change for the Club, some very exciting changes to be sure.

To maintain coherency throughout the balance of the golf year, the Partnership has been retained to manage operations to the end of the calendar year.

There have been many questions asked about what this change will mean for staff members that you all have come to know and look to for service, coaching, and the warm relationships that are inevitably born in a club experience. The City has been outstanding on this front, understanding the importance of these professional relationships, and has confirmed that all existing contracts will be honored moving forward.

2026 will no doubt bring changes and new ideas, but this should be very exciting for our Membership, as you will most certainly be involved in helping determine the many directions that Lakeside will take in the coming years.

Personally, I would like to thank all those Members who welcomed me to Lakeside way back in 2015, and have

continued to trust me to be a part of your golf life in the ensuing years. It has been an honor to serve you, and work with the many loyal Members along the way.

At this point, my tenure is undetermined, however, I will certainly be around moving forward, taking cash off Elias and Bygrave each Wednesday, and hoisting a pint or two.

Thanks again, and all the very best.

Cheers

**Glenn Carr - Director of Golf**

## GOLF-OPS

It's been great to have a real nice stretch of weather for the last few months of the season. It's hard to believe we are entering the final month of the season and that the IronPerson is upon us.

### THANK YOU'S

We wish to say thank you to all our staff that worked hard through the course of the season.

In the Back Shop a special thank you to Brian Monkman and Seth Wilmot for leading their crew that included Payton Prusky, Brooklyn Deck, Chloe Major, Max Strang, Qais Jessa, Amelia Cruickshank, Baylie Axworthy, Blaise Forrest, Chase Hoetger, Hayley Van Ieperen, Jeremiah Vincendeau, Kyler Olsen, Lochloan McTaggart and Tej Madan.

In the Golf Shop we had Ava Farr, Kyran Buhler, Piper Kathol, Tavis Strang, Brendan O'Shaugnessey, Greysen Cameron and Kalia Maillot, your tremendous efforts in keeping things running smoothly, managed all the booking and adjustments for everyone and assisting our golf pros while they were busy fitting, teaching and running our leagues.

To our Golf Pros for their countless hours put in above and beyond their shifts in the shop running leagues and daily duties, as well as all the extra effort with our member events and working tirelessly behind the scenes to make

sure things were ready to go day in and day out. Thank you to Christian Weinacker and Emerson Green, our teaching professionals, Kim Wilkovich, Rhonda Carter and Dean Sackney, we appreciate the support in the camps and clinics and helping golfers improve their game over the course of the season.

To our countless Marshalls and Starters who volunteered their time to help make sure that the first or tenth tee ran on time and that speed of play stayed at reasonable levels. This might be the most thankless job at a golf course, as most of the time as a marshall you seem to take some sort of abuse even though you are trying to make the day more enjoyable for all.

## MEGA

We will once again be a part of the MEGA SALE over at Valley Ridge. This year the dates are November 13<sup>th</sup> - 16<sup>th</sup>. Make sure to circle those days on the calendar as 12 plus clubs will be combining all of their inventory for one massive sale to downsize their inventory. The down side to the MEGA Sale is that the Gift Certificates you accumulated here at Lakeside will not be accepted. So again, do your shopping now before we head over.

## IRONPERSON

We are getting closer and closer to the annual IronPerson event on **OCTOBER 18<sup>th</sup>, 2025** with a 12 PM Shotgun. Call it what you want Super's Revenge, IronMan / IronWoman, Rude Pin day etc. but it will be a great test. This year, for speed of play purposes, we've implemented the three-putt max. It will be a four-person scramble and handicaps will be used to help even the playing field.

The cost of the event is \$65 for members and \$130 for non-members. It's one you don't want to miss, sign up your team, that requires at least one member, in the locker room foyer.

## GOLF SIMULATOR

The golf will go up once the course Stay tuned details as will be what we will be for the

simulator sometime golf closes. for more to when it ready and leagues running winter.

## END OF SEASON CLEANUP

When the season decides to come to a close, we require all members (including junior members) to take their club's home. We will be cleaning out the club storage area as quickly as possible and putting the simulator up for winter usage.

We also require all those that store push carts to take them home for the winter. We will require that space for the club storage shelving that is being removed for the simulator. Again, this is only once the golf course is officially closed for the winter.

The golf shop staff thank all the members and guests for their support in 2025. It was another busy season (especially the last few months, once the weather finally started to cooperate).

To those headed south or planning to head south. We wish you safe travels! For those planning on sticking around, we look forward to seeing you in the sim, when that time comes.

All the best,

**Tyler Willner - Head Golf Professional**

## MAINTENANCE

As we roll into the beautiful fall season here at the club, I wanted to give you a quick update on what the maintenance team has been working on and what you can expect over the next few weeks.

The leaves are changing, and while they're a beautiful sight, they certainly keep us busy! Our crew is out daily blowing, mulching, and removing leaves from fairways, tees, greens, and roughs to keep playability at its best.

You may have noticed fresh sod being laid around the course. These touch-ups will help us get a jump start on strong turf heading into next season. Please help us protect these areas by avoiding traffic where sod has been laid.

It's that time of year again and frost delays will soon become a regular part of the season. Please make sure to

check in with the Proshop before every round and they will update you on any frost delays.

As always, thank you for your continued support and respect for the course and our team. See you out there!

**Quaid McBean - Golf Course Superintendent**

## RUSTY PUTTER

*Thank You for a Wonderful Season!*

As we wrap up another golf season and close the restaurant for the year, we want to take a moment to share our gratitude.

To our members and guests—thank you for choosing to spend your time with us. From casual lunches after a round, to evenings shared with family and friends, to special celebrations at the club, your support has meant the world to us. Each visit brought life and warmth to the restaurant, and we're so grateful to have been a part of your season.

A very special thank you also goes to our amazing staff. Their energy, hard work, and dedication—both in the kitchen, half-way house, beverage cart and restaurant—made every experience possible. We couldn't have done it without their passion and teamwork.

As we take a pause for the off-season, we're already looking forward to welcoming you back next year with new ideas, fresh flavors, and the same friendly faces you've come to know. Until then, we wish you a safe, happy, and relaxing off-season.

With heartfelt thanks,

**John Santos – Food & Beverage Manager**

**Ladies League**

It's hard to believe we have come to the end of the 2025 Ladies League Season! Although we battled some tough weather through July, we still saw more ladies on average

this season. Historically a little rain in the forecast would see the night cancelled. In 2025 we had multiple rainy days where over the minimum 65 ladies tee it up for the game to count. On average we saw 90 ladies tee it up week over week!

Congratulations goes out to our 2025 Match Play Champions. Christina Hungerland walked away with the title on the singles side while the doubles side saw new champions crowned in Yvonne Toney and Cheryl Fawcett. Thanks everyone for a great year of Match Play and we hope to see some more new faces sign up next season.

We hosted our Closing 4 Lady Scramble on September 13<sup>th</sup> and were graced with sunny skies and low winds! There were 100 ladies that showed up for a day of golf and prizes and an evening of entertainment. Huge thanks to the Men's Committee for running the bbq station for us!

These events can't happen without a great group of ladies, a committee to put the pieces together, but most importantly sponsors. Our Lakeside Ladies League would like to send a huge THANK YOU out to all of our sponsors for 2025:

- **Title Sponsor:**
  - Straightline Motor Group
- **Gold Sponsors:**
  - Dominion Lending Centres Calgary
  - BFL Canada
- **Silver Sponsors:**
  - Skyline Exhibits
  - Ben's Machining
  - Harmony Health and Fitness,
  - Lakeside Greens Golf Club
  - Blueprint Windows and Doors
  - John Neufeld in memory of Leanna Neufeld
  - YYC Coverings
  - Trippier Therapy Services
- **Print Sponsor:**
  - Emerson Clarke

The Ladies League Committee wants to thank everyone for the wonderful season and we look forward to another sold out league in 2026.

Cheers

**Ladies League Committee**

## Men's League

### League Season Wrap-Up

Sip It and Rip It once again proved to be the toast of the league, securing their spot as this year's champions. Joining them in the Top 4 were Who's Your Caddy, Trunkslammers, and Par Then Bar — a strong showing from start to finish.

Tomatoes claimed second place honors.

Our season wrapped up with a fantastic turnout of 125 golfers for the SS Classic. The day was highlighted by the first-ever **SS Classic Shootout**, where Jared Maillot emerged victorious and Trevor Wood took home second place.

A special thank you goes out to your Men's League Committee — Myles Immikar, Brad Marche, Martin Hall, and Mike Jackman — for their dedication and work behind the scenes.

And of course, none of this would have been possible without the support of Glenn, Tyler, and Christian in the pro shop. Their efforts ensured another smooth and successful season.

Here's to another incredible year of competition, camaraderie, and cold pints. See you in 2026!

### Men's League Committee

## LAKESIDE SOCIETY

As the leaves begin to turn and the crisp autumn air settles in, we want to take a moment to reflect on a fantastic September at Lakeside.

First and foremost, a heartfelt thank you to everyone who participated in the Ladies and Men's League Closing events. Your enthusiasm and sportsmanship continue to make our leagues some of the strongest and most enjoyable around. Week after week, we see incredible turnout, competitive play, and a true sense of community—something we're proud to foster here at Lakeside Greens.

A huge shoutout to our sponsors who consistently show up and support our club and its members. Your generosity and commitment make these events possible, and we're incredibly grateful for your continued partnership.

We also want to recognize the dedicated group of members who lead our Ladies and Men's Leagues. Your hard work behind the scenes—organizing schedules, coordinating events, and keeping the energy high—does not go unnoticed. Kudos to each of you for making this season such a success!

As we head into October, we're hopeful for some beautiful fall golf days ahead. The Ironman Tournament is coming up on Saturday, October 18<sup>th</sup>. It's always a fun way to cap off the season with a bit of a challenge and some good laughs along the way. If you're planning to play, now's a great time to start organizing your team and getting signed up.

Fingers crossed for some decent October weather—we're hoping the fall conditions hold up and give us one more great day out on the course!

Before we know it, the tarps will be on the green; we encourage everyone to take advantage of the season before winter sets in. Whether you're chasing one last personal best or simply enjoying the scenery, fall golf at Lakeside Greens is always something special.

See you on the course!

**Your Lakeside Membership Board**
