Junior Newsletter July 2026

Junior Club Championship

July 18–19, 2026

Our future stars take center stage during the Junior Club Championship!

Over two days, our junior golfers will compete for club championship titles while showcasing the hard work and dedication they've put into improving their games throughout the season.

We encourage all members to cheer on our young competitors and celebrate the next generation of Lakeside golfers.

Junior Golf is Thriving!

Our Junior Program is kicking off July with both the Cubs Club and Junior Summer Camps! The enthusiasm from our young golfers has been incredible, and we're thrilled to help them develop their skills while creating lasting memories through amazing instruction.

Our junior programming continues to grow with both the Youth Golf League (YGL) and our Junior Development Program (JDP) in full swing. Week after week, it's inspiring to see our juniors building confidence, sportsmanship, and a lifelong passion for the game.

Thank you to our coaches (Emerson, Stefan and Kim), volunteers, parents, and members who continue to support junior golf at Lakeside. Your encouragement is helping shape the future of our club.
