Mens League Newsletter July 2026

The 2026 Straightline Motor Group Men's League has officially reached the halfway point of the season, and the race for the championship is heating up.

Congratulations to Who's Your Caddy, who captured the first-half title with an impressive 252 total points. Grass Masters also enjoyed an outstanding first half, finishing second with 228 points to secure the other first-half playoff berth.

Rounding out the top five were Sip It and Rip It (192 points), Par then Bar (190 points), and Bogie Golf (185 points), making for a tightly contested leaderboard through the opening eight weeks.

As the second half gets underway, every team starts with a clean slate in the standings. It's a fresh opportunity for every group to make a run at a playoff spot—and perhaps prove they really were "saving their best golf for later."

Good luck to all teams as the race to the playoffs continues!

Men's League Standings After Week 8

Team	Team Points	Participation Points	Total Points
