F&B Newsletter July 2026

Greetings,

With the less-than-perfect weather conditions which have been impacting us all, it's been difficult to keep our specials of the day and soup and sandwiches interesting and creative when there aren't many people on the course using the facilities.

While we have made an effort to keep everything fresh and interesting, it's been a struggle to maintain the variety with our creations.

Hopefully, everyone has been enjoying the Ladies' and Men's league specials, and again, if you have any suggestions as to what you would like to see, please don't hesitate to ask. If you have any suggestions, just let your servers know, and they will ensure your info is forwarded to us.

The new Valbella Snack items have been well received; all the ingredients are top quality and use only AAA certified Black Angus, and all the smoked and cured products are made locally in Canmore and delivered to us weekly.

Hopefully, the weather will get better, and I wish all of you a happy and relaxed Canada Day. Also, on that note, we will be doing a Burger and Beer feature on Saturday, July 4, when Canada takes on Morocco in the Round of 16 in the World Cup.

Go Canada Go!

Thanks,

Peter Horlacher

Executive Chef
