Members Update Newsletter July 2026

As we move into the heart of the golf season, we'd like to thank all of our members for continuing to make Lakeside such a welcoming and enjoyable club. The club is buzzing with activity, the events calendar is in full swing, and there is plenty to look forward to over the coming weeks.

For those participating in Member Match Play, this is a friendly reminder to stay on top of your scheduled matches. We know summer calendars fill up quickly, but completing each round by the posted deadlines helps keep the competition enjoyable for everyone involved. If you haven't already reached out to your opponent, now is a great time to get your match on the calendar.

The highlight of the month is undoubtedly our Annual Memorial Tournament on Saturday, July 4. This is much more than just another tournament on our calendar, it is one of Lakeside's most meaningful traditions. Each year, we come together to honour and remember the members and friends who helped build our club and contributed so much to the Lakeside community. Their passion for the game, their friendships, and their commitment to our club continue to be reflected in the spirit of Lakeside today. If you haven't already registered, we encourage you to do so. Whether you're a longtime participant or considering playing for the first time, this is a wonderful opportunity to enjoy an afternoon of golf while celebrating the people and memories that have shaped our club. With a great field, the traditional Memorial Shootout, and an outstanding meal to follow, it's always one of the most enjoyable and well-attended events of the season. We hope you'll join us for this special day.

We're also continuing to look for members who are interested in helping shape the future of our golf course through our Course Improvement Committee. If you'd like to share ideas, provide feedback, or become involved in future course enhancement initiatives, we'd love to hear from you. Please reach out to the Membership Board at board.lakeside@gmail.com to express your interest or to learn more.
