TeamReach Communication App

If you were receiving the TeamReach communications last year, you do not need to enroll again.

For **ALL** Parents: Please download and create an account for the TeamReach app. Once you have the app set-up, on the main screen, you'll see a place to enter a "Group Code." Enter the group code: **Faith001**
This will enroll you in the overall Faith Formation communications.

For **First Communion** Parents: Go back to the main screen and enter group code: **Eucharist001**
This will enroll you in the First Communion specific communications.

For **Confirmation** Parents: Go back to the main screen and enter group code: **Confirm001**
This will enroll you in the Confirmation specific communications.

For any/all of the groups, press the "gear" icon in the upper right corner and make sure that "Push Notifications" is on, indicated by it being green. *I will pretty much be using TeamReach exclusively for communications. It is your responsibility to be up-to-date on what's going on. Thank you!*
