TeamReach Communication App

Please download and create an account for the TeamReach app. Once you have the app set-up, on the main screen, you'll see a place to enter a "Group Code." Enter the group code: **OCIA0001**. This will enroll you in my OCIA communications. Then press the "gear" icon in the upper right corner and make sure that "Push Notifications" is on, indicated by it being green.

*I will pretty much be using TeamReach exclusively for communications.
It is your responsibility to be up-to-date on what's going on. Thank you!*
