A to Z Liquor & Wine

Looking for the perfect bottle?

A to Z Wine & Liquor has wines, spirits, and everyday favorites for every taste and budget. Whether it's a celebration of your go-to pick, stop in today and discover something you'll love!

Air Conditioners

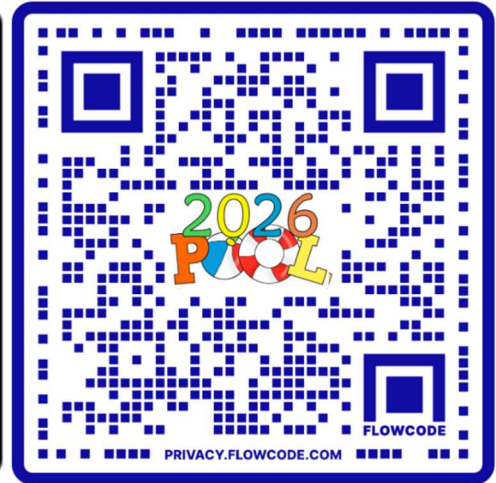

Window units are allowed at Watertree and may be temporarily installed in windows until October 15th each year. Please use plexiglass on top or around the unit for a consistent and attractive appearance for our community. If you must use an extension cord, then please verify which gauge you need. Typically, a 20-amp window unit requires a 12-gauge cord; a 15-amp unit usually requires a 14-gauge cord.

Prevent fires: use the right extension cord.

If your wall air conditioner needs replacement, we have negotiated special pricing for appropriate a/c wall units – you are welcome to contact the office about this. **Never put a window air conditioner in the wall sleeve** – that creates a big fire hazard for you and your neighbors.

Swimming Pool

Weather permitting, pool hours are 11AM to 7PM daily. Please read the 2026 Pool Rules (see QR code). Every person entering the pool area must sign in, every time – a Health Department requirement, AND clearly display your Pool Pass upon entry. The pools are for our Watertree community: please be sure that you are supervising kids at the pool. If you bring a guest to the pool area, you must accompany them at all times in the pool area. Please email the office at wthoa@aol.com with questions.

We depend on each other to keep
the pool area safe, as there is
NO LIFEGUARD ON DUTY.

Food Truck

There is a food truck event scheduled for Wednesday, July 15th, 4:30 - 7:30PM. Frank's Franks offers all-beef hot dogs, burgers, & more. Enjoy a dinner special.

Independence Day Fireworks

The Village of East Syracuse is hosting the 50th Annual Ronald A. Russell, Jr. Fireworks Display on Saturday, July 11th: concert by Faded Vinyl starts at 6:15, fireworks start at 9:30pm.
