## The Best Bathroom Remodeling Contractors in Aurora, Colorado

DECEMBER 27, 2022

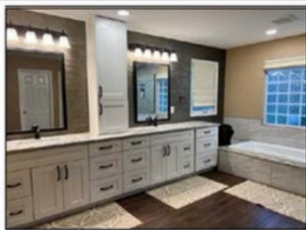

**T**he bathroom is one of the main spaces in a home. It provides a place of refuge and relaxation—but it's also one of the spaces that can increase or decrease the value of a home. It is important to have a good contractor who will strive to fully grasp your vision when you decide to invest in this crucial space.

Having the right contractor to bring your bathroom remodeling ideas to life can be helpful especially if you already have a predetermined timeline and budget. Our editorial team has showcased five of the best bathroom remodeling contractors working in Aurora, Colorado. These companies were chosen by our team after

we reviewed their portfolios, principal credentials, and the publications that featured their work.

JTeK Construction, Inc. 1250 S. Buckley Road, Suite 1322, Aurora, CO 80017 Family-owned and operated JTeK Construction, Inc. has been serving the Denver metro area for almost two decades. The firm specializes in residential remodeling projects such as bathrooms, kitchens, and basements, as well as interior finishes and custom carpentry. The firm is Better Business Bureau (BBB) accredited, and it is committed to providing high-quality and customized spaces to every client.

Aside from its dedication to client satisfaction, JTeK Construction also gives

back to the community by offering service discounts to veterans, senior citizens, law enforcement, and families that have children with special

needs. It does not cut corners when it comes to ensuring the quality and durability of the spaces it builds.
