Happy Kids Academy Boca

As President of the Aventura Marketing Council/Chamber of Commerce for 35 years, I have had the opportunity to know and work with many outstanding businesspeople through the years. I have had the pleasure of knowing and working with Michael for over 20 years, and have seen his creativity and brilliance shine through each and every journey he takes. And perhaps more importantly, I have seen his kind and caring heart shine through as well.

Michael took over the responsibility of working with youngsters in Grace Academy, located in Miami Gardens, home to many low-income families and at-risk students. Michael worked with the students on a special “Shark Tank” project, and at the project’s end, the students were markedly more engaged and involved as they became eager to create their product or service and then present it to a panel of judges. It was an amazing transformation of youngsters who started out quiet, shy and unable to give eye contact to taking on the role of entrepreneurs who eagerly spoke to the judges about their product—and yes—they smiled and gave eye contact! Michael has also been a tremendous supporter and friend of the Aventura Marketing Council/Chamber of Commerce, and he became a one-man Membership

Committee, bringing in members from as far away as Hungary and local businesses whom he know could benefit from membership.

There is no doubt in my mind that as Michael continues to commit 110% to HappyKids Academy Boca that it will become the most sought-after children's academy in Boca by providing a safe, healthy and happy learning environment for the little ones.

Sincerely,

Elaine Adler, President
