

Established in 2011, this replica 1860s Pony School is located on the grounds of the Pony Express National Museum. It is open by appointment for tours and interpretive programs, transporting students back to the 1860s. Tour groups can book a School Marm and learn reading, writing, and arithmetic, or engage in a spelling bee! For a memorable educational experience we invite you to bring your students to the Pony School.

Cost for School Marm:
1/2 Hour Session = \$75 + \$2.50 per person
