To Whom It May Concern,

On behalf of the Washington Housing Authority and our low-income tenants, I want to extend our heartfelt thanks for your generous donation to our 2025 Christmas outreach program. Your support made an immediate and meaningful difference in the lives of families who face financial challenges, especially during the holiday season.

Because of your kindness, we were able to:

- Provide the tenants at the Towers with a delicious catered in meal, and a pair of hats and gloves for each of them.
- Brighten the holiday for 70 households in a scattered units with a gift that encourages family time - and what better way than baking cookies!
- Give each family a sense of dignity and joy during a time that can be especially difficult
- Reinforce the spirit of community and compassion in Washington

Your gift is not just a one-time benefit. It has ripple effects: it strengthens trust between businesses and residents, promotes goodwill, and encourages others to step forward in future years. We are deeply grateful that you chose to partner with us in this endeavor.

Please know that your support will be acknowledged in our year-end report and in our donor recognition materials (unless you prefer otherwise). We would be honored to highlight your business as a community leader committed to lifting up those in need.

Again, thank you for your generosity, for sharing in our mission, and for helping make Christmas brighter for the families we serve. We look forward to continuing our partnership in 2026 and beyond.

With sincere gratitude,

*Famie Cox*

Dear First Federal Savings Bank of Washington,

On behalf of the Washington Baseball Club, I want to sincerely thank you for your generous support of our program during the 2025 season. Your sponsorship has been instrumental in helping us provide opportunities for 60+ players to grow, compete, and succeed both on and off the field.

Because of your partnership, we were able to host tournaments here in Washington that brought in over 40 teams from 3 different states, along with hundreds of visitors who supported our local restaurants, hotels, and shops. We also traveled to compete in other tournaments, proudly representing our town and the businesses that stand behind us. Your investment impacts not only our athletes but the entire community.

Most importantly, your support has allowed us to keep player development at the forefront of everything we do. The lessons of teamwork, discipline, and character learned on the field will serve our athletes for years to come, and that would not be possible without you.

We are truly grateful for your belief in the Washington Baseball Club and for the commitment you have shown to our players and our community. We look forward to building on this success and continuing to make the 2025 season one to remember.

With gratitude,

Kyle Cornelius President
