**Rise With the Sun** By Jon Zed

“They are new every morning; great is your faithfulness.”  
— Lamentations 3:23

Every sunrise offers a quiet reminder: God’s grace is not limited by yesterday. As the sun rises, darkness gives way to light, and we are invited to begin again—with renewed hope, fresh courage, and trust in God’s faithfulness.

We may not know what the new day will bring, but we can face it knowing we do not face it alone. God’s mercy meets us in every circumstance, His strength carries us through every challenge, and His light guides our next step.

Rise with the sun today, not because life is perfect, but because God is faithful.
