

Sleep Out Sponsorship Opportunities

About Covenant House Florida

Covenant House Florida provides safety, supportive services, and pathways to independence for young people experiencing housing instability and crisis. Each night, nearly 100 young people find safety and support under a Covenant House roof in Florida, while more than 2,000 young people across the country receive care through Covenant House programs.

The Sleep Out Movement

One night can change lives. By giving up your bed for one night, you help provide safety, stability, and opportunity for young people experiencing housing instability.

Sleep Out is Covenant House Florida's signature awareness and fundraising event, bringing together passionate supporters to raise critical funds and stand in solidarity with youth. Together, we help keep our doors open 24/7 and ensure every young person who comes to us has the support they need to thrive.

Our Partners

Our partners believe every young person deserves a safe place to stay and play a vital role in helping Covenant House Florida provide safety, stability, and support.

Here's how you can get involved:

Sponsorships provide immediate support for the young people in our care. Depending on your sponsorship level, team members may be invited to participate in the Sleep Out experience.

Form a Team
