Kodi munayamba mwafunsapo kuti: “Kodi mukunenadi? khulupirirani kuti njoka inalankhula naye mwanzeru Eva? Mwina inuyo mwakhala mukudabwa nazo zimenezi mwakachetechete. Genesis 3, komabe, ndi imodzi mwa mitu yofunika kwambiri za Baibulo. Limafotokoza za kugwa kwa anthu mu uchimo. Zili choncho chifukwa cha zomwe zidachitika mu Genesis 3 kuti tiyenera a Mpulumutsi. Mphamvu ya mawu a njoka: “Kodi Mulungu kunenadi,” akubwerezabwerezanso kumasiku athu ano, kuchititsa ambiri, monga Hava, kukayikira chowonadi cha ndimeyi. Tiyeni titenge kamphindi kuti mufufuze ena mwa mafunso amene vesi ili likupereka.

Genesis 1-2 amatifotokozera za dziko limene Mulungu analenga. Zinali dziko langwiro lopanda uchimo. Mulungu, Mwiniwake ananena kuti izo zinali zabwino kwambiri, kusonyeza kuvomereza Kwake pa zomwe adazipanga (Onani Genesis 1:31). Ndi m’dziko langwirolimene timakumana njoka. Akufotokozedwa kuti ndi wochenjera komanso wachinyengo. Ake .Mawu amene anauza Hava anali opanduka ndipo anachititsa Hava kufunsa mafunso chimene Mulungu anamuuza iye—“ Kodi Mulungu anati, ‘Udzatero osadya za mtengo uliwonse wa m’mundamu? Wapanga kuti wopandukayu mtima umachokera? M’mundamo munali muzu wa uchimo ndi kupanduka. Kumeneko mu dziko langwiro kunali chinachake chotero choipa, chinatsutsa ndi kuima nji motsutsana ndi Mlengi. Tchimo ndi kuipa kunalipo Hava asanagwe m’chiyeso chake. Hava sanali woyamba kupandukira Mulungu. M’mundamo munali njoka yokhala ndi zolinga zoipa ndi kupandukira mumtima mwake Mulungu.

Kuti mumvetse zomwe zikuchitika pano, ganizirani zomwe Mtumwi Yohane anati mu Chivumbulutso 12:9:

(9) Ndipo chinjokacho chinaponyedwa pansi, chakale njoka, wotchedwa Mdyerekezi ndi Satana, wonyenga wa dziko lonse lapansi anaponyedwa pansi, ndipo angelo ake anagwetsedwa pamodzi naye. — Chivumbulutso 12:9

Yohane anafotokoza kuti Satana ndi “njoka yakale” imene inalipo kuponyedwa pansi pa dziko lapansi. Kodi iye anachita chiyani padziko lapansi pano? Iye anali “wonyenga wa dziko lonse lapansi.” Tikuwona pang’ono iye kuno m’munda kufunafuna kunyenga Eva ndi kumtembenuza iye kutali ndi cholinga cha Mulungu.

Yohane ananenanso zofanana ndi zimenezi pa Chivumbulutso 20:2 . Ndi iye imakamba za nthawi imene “njoka yakale ija, ndiye mdierekezi ndi Satana” adzamangidwa kwa kanthaŵi zaka chikwi:

Ndipo anagwira chinjoka, njoka yakale ija, amene ali mdierekezi ndi Satana, nammanga iye zaka chikwi, namponya m’dzenje, natseka, nasindikizapo chizindikiro pa iye, kuti asanyenge amitundu kupitirira, kufikira zinatha zaka chikwi. Pambuyo pake iye iyenera kumasulidwa kwakanthawi kochepa. — Chivumbulutso 20:2-3

Satana, njoka, adzakhala womangidwa kwa zaka chikwi kuti asanyengenso amitundu. Kamodzi Apanso, tikuona Satana akufotokozedwa kuti ndi “njoka yakale” amene cholinga chake chinali chinyengo.

Mavesi amenewa amatiuza kuti Satana ndi njoka yakale. Mawu akuti “wakale” amatanthauza kuti iye anabwerera ku chiyambi nthawi. Iye analipo pamene Adamu ndi Hava anakhala m’banja Munda. Kukambirana komwe kunachitika tsiku limenelo kunalibe ndi njoka komanso ndi Satana.

Kodi zimenezi zikutanthauza kuti njoka ya pa Genesis 3:1 sinali zenizeni? Ayi ndithu. Taonani zomwe vesili likutiiza za izi:

Njoka inali yakuchenjera yoposa zamoyo zones munda umene Yehova Mulungu anapanga. —Genesis 3:1

Njoka pa Genesis 3:1 inali “chilombo cha kuthengo chimene Yehova Mulungu analenga.” Mawu amenewa amasiya kukayikira kuti njoka yakuthupi inali nayo m’chiyeso cha Hava. Talingaliraninso temberero la Mulungu pa njoka mu Genesis 3:14:

Yehova Mulungu anati kwa njoka, “Chifukwa iwe mwachita ichi, ndinu wotembereredwa koposa zoweta zonse ndi pamwamba pa zirombo zonse zakuthengo; pa mimba yako udzayenda, ndipo udzadya fumbi masiku onse a moyo wako. — Genesis 3:14

Yehova Mulungu anatemberera njoka “kuposa zoweta zonse ndi kuposa zamoyo zonse za m’thengo.” Iye anafuna kuti icho chikwawa pa iye ndi kudya fumbi masiku ake onse. Ndime iyi ikufotokoza zenizeni njoka yokwawa pamimba pake. Pamene njoka yakuthupi inali anakhudzidwa ndi mayesero a Hava. Themberero la njoka akupitilira mu ndime 15 kuti:

Ndidzaika udani pakati pa iwe ndi mkaziyo; pakati pa ana ako ndi ana ake; adzavulaza mutu wako, ndipo iwe udzalalira chidendene chake. — Genesis 3:15

Mtumwi Paulo akunena za izi mu Aroma 16:20 pamene iye analimbikitsa okhulupirira achiroma ndi mawu awa:

(20) Mulungu wa mtendere posachedwapa adzaphwanya Satana pansu panu mapazi. Chisomo cha Ambuye wathu Yesu Khristu chikhale ndi inu. — Aroma 16:20

Mwaulosi akuyembekezera ntchito ya Ambuye Yesu, amene adzaphwanya Satana ndi mphamvu zake mwa lye imfa pa mtanda. Yesu adzaphwanyidwa panjira, koma mphamvu ya Satana idzachotsedwa kwa iye. Pamene Genesis 3:14 amakamba za njoka yakuthupi, temberero la Lemba la Genesis 3:15 limanena zambiri kuposa zimenezi. Amalankhula ndi kuphwanya mphamvu ya Satana ndi chigonjetso cha Ambuye Mulungu pa satana ndi ulamuliro wake wa zoipa. Zikuwonekeratu kuti onse awiri Satana ndi njoka yakuthupi anagwiritsidwa ntchito poyesa wa Eva m'mundamo.

Iyi si nthawi yokhayo m'Malemba pomwe mphamvu za ziwanda zimachita anagwiritsa ntchito matupi a nyama pa zolinga zawo. Mu Mateyu 8, Ambuye Yesu anadza ku chigawo cha Agadara kumene anakumana ndi amuna awiri ogwidwa ndi ziwanda. Mvetserani nkhani ya kukumana uku:

(28) Ndipo pamene anafika kutsidya lina, kumudzi mwa Agadara, adakomana naye amuna awiri ogwidwa ndi ziwanda; akutuluka m'manda, aukali, kotero kuti palibe munthu akanatha kupita mwanjira imeneyo. (29) Ndipo taonani, anafuula kuti: "Muli ndi chiyani? kuchita ndi ife, O Mwana wa Mulungu? Kodi mwabwera kuno mudzatizunza isanafike nthawi yake?" (30) Tsopano gulu la anthu ambiri Nkhumba zinali kudya patali kutali ndi iwo. (31) ndi ziwandazo zinampempha lye, kuti, Ngati mutitulutsa, tumizani tilowe mu gulu la nkumba. (32) Ndipo adati kwa iwo, "Pita." Chotero adatuluka, nalowa mu nkumbazo, ndipo tawonani, gulu lonse lidathamangira paphompho nyanja namira m'madzi. — Mateyu 8:28-32

Taonani zambiri m'ndime iyi. Choyamba, ziwanda zinali kukhala m'thupi la amuna awa. Chachiwiri, ziwanda izi analankhula ndi Yesu. Ngakhale atha kugwiritsa ntchito mawu

a Amuna omwe adali nawo, Ndi zoonekeratu m'ndimeyi ziwandazo zinalankhula:

“Ziwandazo zinampempha lye kuti, Ngati mutitulutsa, tumizani tilowe m'gulu la nkhumba.”— Mateyu 8:31

Mfundo ina yofunika ndi yakuti pamene Ambuye anatulutsa izi ndi ziwanda za anthu, nazitumiza zilowe mu gulu la nkhumba. Nkhumbazi zinasokonezeka kwambiri moti zinathamangira kuphiri mtsinje ndi kumizidwa m'madzi pansi. Ndime iyi imatiwonetsa kuti mphamvu za ziwanda zimalankhula ndipo zadziwika kukhala ndi anthu ndi nyama. Kodi izi zinali chikuchitika m'munda wa Edeni? Satana akanalowa thupi la njoka kuti lilankhule ndi Hava?

Ena amaganiza kuti Satana anadzisintha kukhala njoka kuyesa Eva. Vuto ndi izi ndikuti palibe umboni wa m'Malemba wosonyeza kuti Satana ali ndi mphamvu zimenezi. Pamene iye akhoza kukhala ndi thupi la cholengedwa china, Lemba konse amanena kuti akhoza kukhala cholengedwa china kuti atiyese.

Taona mu Mateyu 8 kuti ziwanda zinalankhula kudzera mwa amuna omwe anali nawo. N'zosavuta kuona mmene iwo akanatha kuyankhula pogwiritsa ntchito mawu achimuna awa ziwalo. Vuto mu Genesis 3, komabe, ndilakuti njoka zomwe tikudziwa masiku ano zilibe ziwalo zolankhula zofunika kupanga mawu osiyanitsa. Kodi Satana anatani lankhulani ndi Hava ngati njokayo inalibe mphamvu yachibadwa kulankhula?

Taganizirani zimene Mose anauza anthu ake pamene anapereka iwo Malamulo Khumi:

(22) “Yehova analankhula mawu amenewa kwa mpingo wanu wonse paphiri pakati pa moto, mtambo, ndi mdima wandiweyani, ndi mawu akulu; ndipo anawonjezera kuti ayi

Zambiri. Ndipo anawalemba pa magome awiri amiyala ndi anandipatsa izo. (23) Ndipo mutangomva mawu mawu ochokera pakati pa mdima, ndi phiri munali kuyaka moto, munandiyandikira mitu yonse a mafuko anu, ndi akulu anu. (24) Ndipo inu munati, ‘Taonani, Yehova Mulungu wathu watisonyeza ulemmerero wake ndi ukulu, ndipo tamva mawu ake kuchokera pakati moto. Lero taona Mulungu akulankhula ndi munthu, ndipo munthu akadali moyo. — Deuteronomo 5:22-24

Mose anakumbutsa anthu za tsiku lake zimene anamva “mawu ofuula” a Mulungu ochokera m’moto, mtambo ndi wandiweyani mdima (ndime 22). Pamene Mulungu analankhula tsiku limenelo, anthu Ake anamva mawu Ake. Kumbukirani apa kuti Mulungu amene adavumbulutsa kupezeka kwake pamoto kunalibe thupi thupi monga ife. Analankhula wopanda lilime lakuthupi ndi pakamwa kuumba mawu amenewo. Anatero m’njira yakuti Ananena momveka bwino zolinga Zake. Choonadi cha Mulungu ndi chowonanso kwa angelo Ake.

Taganizirani za nkhani ya Loti mu Genesis 19. Iye anali kukhala mu mzinda woipa wa Sodomu pa nthawiyo. Mulungu anakonza zoti awononge mzindawo, koma adatumiza angelo awiri kuti akachenjeze Loti zakudza ngozi musanatero. Genesis 19:1-3 akuti:

(1) Angelo awiriwo anafika ku Sodomu madzulo Loti anali atakhala pachipata cha Sodomu. Pamene Loti anawaona, ananyamuka kukakomana nawo, nawerama ndi nkhope yake pansi dziko lapansi (2) nati, “Ambuye anga, chonde tembenukirani kwa inu m’nyumba ya kapolo, khalani usiku wonse, ndikusambitseni mapazi anu. Mukatero mungadzuke m’mamawa n’kumapita.” Iwo anati, “Ayi; tigona m’bwalo la mzindawo. (3) Koma adawaumiriza kwambiri; choncho

adapatukira kwa lye nalowa m'nyumba mwake. Ndipo adawakonzera phwando ndi anawotcha mikate yopanda chotupitsa, ndipo anadya. — Genesis 19:1-3

Taonani zambiri zokhudza angelo amenewa. Pamene iwo ali nthawi zambiri samawoneka ndi maso, adadzipanga okha zowonekera kwa Loti. Sikuti zamoyo ziwirizi zauzimu zokha zinapanga zoonekera, koma analankhula momveka. Ife kumvetsa kuchokera pa ichi kuti angelo awa akhoza kulankhula ndi mawu omveka. Satana monga mngelo wakugwa, ali ndi luso limeneli chabwino.

Sikuti kulankhulana konse kumachitika ndi mawu athu akuthupi. Munthawi ya kulumikizana kwa anthu ambiri, timatumiza mauthenga kudzera mumlengalenga kudzera pa imelo kapena mameseji. Taganizirani za masomphenya a Yohane mu Chivumbulutso. Yohane akutiya kuti iye anali mu mpingo mzimu pa tsiku la Ambuye pamene anamva mawu okweza kuyankhula naye.

(10) Ndinali mu Mzimu pa tsiku la Ambuye, ndipo ndinamva kumbuyo kwanga kumveka mawu okweza ngati lipenga (11) akuti, “Lemba zimene uona m'buku, ndi kuzitumiza kwa mipingo isanu ndi iwiri; ku Efeso ndi ku Smurna ndi ku Pergamo ndi ku Tiyatira ndi Sarde ndi Filadelfia ndi ku Laodikaya.” — Chivumbulutso 1:10-11

Pamene vumbulutso la zochitika zamtsogolo linadza kwa Yohane mu mawonekedwe a masomphenya, chimene lye anachiwona chinali vumbulutso la Mulungu cholinga cha dziko. Mulungu analankhula ndi Yohane “mumzimu.” Mavumbulutso awa mwina sanali m'mawu omveka, koma Mulungu adalankhula ndi Yohane mwaulamuliro.

Mu Machitidwe 10, Petro anali pa denga pamene Ambuye Mulungu analankhula naye m'masomphenya. Petro anaona

chinsalu chikutsika kuchokera kumwamba ndi mitundu yonse ya nyama zodetsedwa. Liwu linayankhula tsiku limenelo kuchokera kumwamba, ndikumuuza kuti auke udyo. Sizili choncho mwina kuti chinsalu chokhala ndi nyama zodetsedwa kwenikweni adatsika kumwamba kufika pa dziko lapansi tsiku lomwelo? Zimene Petro anaona anali masomphenya. Kodi mawu a Mulungu akanamveka ndi aliyenseosati Petro? Mwina ayi. Zomwe zikuwonekera, komabe, ndizo kuti Mulungu ananena mfundo yofunika kwambiri ku mzimu wa Petro. Tsiku limenelo, Petro ananyamuka napita ku nyumba ya a Wamitundu dzina lake Korneliyo. Iye ankawona ngati Mzimu wa Mulungu modabwitsa anagwera pa Amitundu osayera awa ndi kupanga iwo ana a Mulungu.

Nthawi zambiri Mulungu amalankhula nafe ndipo amatitsogolera popanda mawu omveka. Ngakhale kuti sanamve ndi makutu athu akuthupi, timamvetsetsa mwangwiro zimene Iye akunena kwa mzimu wathu. Anali Satana kuyankhula kwa makutu anyama a Eva, kapena ichi chinali ichi kulankhulana mwachindunji ndi mzimu wake? Iye tiribe njira kudziwa. Chodziwika bwino n'chakuti chochitikachi chinachitika. Apoanali njoka yeniyeni pamaso pa Hava. Satana anabisala kuseri kwa izo njoka ndipo inalankhula ndi Hava m'njira imene iye anamvetsetsa.

Pa tsikuli, Satana anafunsa Hava funso limene likanamuchititsa manyazi kuganiza. Mpaka pano, anali asanafunsepo mafunso mawu a Mulungu. Satana anali kuchita zosayembekezereka—iye anali kutsutsa ulamuliro ndi kunena zoonza kwa Mlengi. Iye anali kumulimbikitsa iye kuti achoke kwa Mulungu, kutenga kulamulira moyo wake ndikupanga chowonadi chake.

Za Pemphero:

Atate, tikuvomereza kuti pali ndime za m'Malemba zimatidodometsa. Nthawi zonse sitimvetsetsa njira zanu. Timavomereza kuti funso la Satana m'munda wa Edeni .Nkhani ya Edeni ikupitirizabe kusokoneza anthu ambiri masiku ano. Ena amakayikira kutsimikizika ndi ulamuliro wa ndime iyi ya Malemba. Zabwino pa Chakudya

(6) Choncho mkaziyo ataona kuti mtengowo unali wabwino chakudya – Genesis 3:6

Zipatso za mtengo woletsedwawo zinali zabwino kudya. Mu zina M'mawu ake, chipatsocho chinkaoneka chokoma komanso chosangalatsa kwa Hava kukoma masamba. Iye

ankadziwa kuti adzakumana ndi mavuto aakulu kondwerani kulawa chipatso ichi. Zingakhale zokondweretsa kwa iye zokhudzira thupi. Tisadzinyenge tokha poganiza kuti uchimo nthawi zonse umakhala wowawasa, wowawa ndi wonyansa.

Chipatso cha mtengo woletsedwacho chingakhale chokoma, koma ayi chilichonse chosangalatsa kukoma ndi chabwino kwa ife. Satana ali ndi mthandizi wamkulu m'thupi lathu. Iye amatilimbikitsa kuti tigonjetse maganizo athu zilakolako ndi zilakolako. Amatiuza kuti zilakolako izi zinali zolengedwa ndi Mulungu ndipo mwachilengedwe. Lembali limatiuza kuti Adamu anapatsa mkazi wake dzina lake. Izi ndi nthawi yoyamba imene dzina lakuti Hava limapezeka m’Baibulo. Mpaka mfundo iyi, iye amatchedwa mkazi:

(23) Kenako munthuyo anati: “Uyu ndiye fupa la mafupa anga ndi mnofu wa mnofu wanga; adzatchedwa Mkazi, chifukwa adachotsedwa mwa Munthu. — Genesis 2:23

N’cifukwa ciani Adamu anakakamizika kusintha dzina la mkazi wake? Dzina lakuti Hava limatanthauza “moyo.” Lemba

la Genesis 3:20 limatiuza zimenezi Adamu anamutcha iye Eva, chifukwa iye anali mayi wa onse moyo. Tiyeni tikambirane zimenezi m'nkhani ya Genesis 3.

Mulungu anauza Hava kuti adzabala ana chifukwa cha ululu za tchimo lake. Ngakhale kuti anavutika pobala, alipo chinachake chodabwitsa kwambiri pakumvetsetsa kwa Hava akanatulutsabe moyo m'mimba mwake. Eva akanatero kukhala mayi wa anthu onse. Poganizira zimenezi, Adamu anasankha kutcha mkazi wake dzina lakuti Hava. Mu potero, amamlemekeza monga mkazi. N'zovuta kunena mmene Eva anali kumverera masiku amenewo. Anatsegula chitseko uchimo ndi imfa, ndipo ichi chikadakhala chachikulu pa iye malingaliro. Adamu, komabe, amamudalitsa ndi dzina latsopano lomwe imayang'ana pa iye kukhala mayi wa anthu onse. Dzina latsopanolo linamupatsa chiyembekezo pakati pa manyazi ndi kulefulidwa. Ngakhale kuti Adamu anachimwabe mumtima mwake amamvera mkazi wake ndipo amamudalitsa.

Chofunika kwambiri kuti tizindikire apa, komabe, ndi kuti sizikadakhala zotheka izi chifukwa cha chisomo cha Mulungu. Eva anali atapandukira Mulungu kutola chipatso choletsedwa. Zimenezi zinali zomvetsa chisoni kwambiri zotsatira kwa anthu. Komabe taganizirani za chisomocho wa Mulungu polola Hava kukhala mayi wa moyo wa anthu onse. Ana ake adzadzaza dziko lapansi.
