IMPORTANT - Changing Rooms

Please remember to show respect and to leave the changing rooms as you would like to find them after a match. We have received several complaints already this season that this is not happening.

Mandatory DBS checks

Please read:

<https://www.hpfl.co.uk/mandatory-dbs-checks-season-24-25>

Booking 3G Pitches - guidance

1. The Venue cannot have netting wires across the pitch and must reach the FA minimum size of 100 x 60 metres.
2. There must be 3 separate changing rooms for the 2 sides and match official- minimum size 12 metres squared and 4 metres squared for the match official with separate showers. These must be lockable.
3. Any potential booking which sees a change of kick off time **MUST BE AGREED IN ADVANCE** with the opposition before being booked.
4. The away team cannot expect to travel well outside the distance already travelling and in a completely different direction. For example, a side from Portsmouth travelling to a side in Southampton, should not be expected to then have to travel to Aldershot/Basingstoke.

Round-Up

With drier weather this week, and cold at the weekend, all our scheduled games were played.

Both **midweek** games were in cup competitions at Wessex League clubs. Bishops Waltham Dynamos exited the Southampton Senior Cup, 1-7 at Brockenhurst, and Stockbridge lost 0-3 at Fleetlands in the Russell Cotes Cup, played at last, after several postponements.

At the **weekend**, a mixture of competitions was scheduled, and this time they took place.

One **Hampshire Saturday Trophy** was actually postponed, but that was because North Waltham U23 couldn't raise a team against Liphook United, so Full Time reports that Liphook get a walkover, at the fourth attempt to play the tie.

The other two outstanding ties were played; one saw Fleet Spurs welcoming West Wight to Kennels Lane after three postponements on the Island. The visitors, second in the IOW league, won 4-2. The other saw Colden Common record an impressive 5-0 home win over Sholing Res, with five different scorers.

The other cup ties included a Hedge End derby at the NormRod in the **George Mason Memorial Shield**, a close affair which finished 1-1, with Hedge End Town winning on penalties. In the North Hampshire Intermediate Cup, Twentyten, bottom of Division 1, put that behind them with a massive 9-3 win over Colden Common Res .

In the league, there were several **Senior Division** matches, with two teams attempting to overtake Liphook United at the top – and both did, with Locks Heath the new leaders after a tight 1-0 win at Paulsgrove, ahead of Infinity, who notched a good 3-0 win at Whitehill & Bordon - Osman, Smith, and Jewell the scorers. The top three moved even further ahead of fourth-placed Denmead, who lost 1-2 at Stockbridge. Neal and Pye scored for the Robins. Hayling United moved into fifth after a 3-1 win at Sway. A month ago, the Humbugs were thirteenth. Second-bottom Hook had a good home win, 2-1 over Liss Athletic, and are now just one point behind them; and Moneyfields Res moved up to ninth with a big 7-0 win over Bishops Waltham Dynamos at West Leigh Park, two goals from Hadi.

Division 1 saw leaders Meon Milton move three points clear after a 4-2 win over fourth-placed Upham at the Cockleshell. Since the Hedge End teams were in cup action, Headley United moved into third with an excellent 2-0 win at in-form AFC Netley, the goals from Davies and Worman, and Whiteley Wanderers moved up to fourth as they won 4-1 at Oasis Mayfield against Michelmersh & Timsbury, doubles for Bell and Farlow there. At the bottom, there were five teams separated by just one point; now there are only four, thanks to Overton United's 3-1 home win over Lyndhurst, two of those from George. Broughton couldn't copy them, going down 0-1 at home to QK Southampton, the only goal from Nwachukwu.

Match Report

George Mason Memorial Shield Quarter-Final

Hedge End Town 1 Hedge End Rangers 1 (5-4 after penalties)

A close El Hedgio encounter (3rd v 2nd in Division 1), well refereed, with the home side coming out on top after penalties in front of a decent crowd – I counted 105, the NormRod car park was overflowing!

The home side started well and within the first minute ace striker Longland was clear on the left of the area, his shot from an angle being saved by Downs at his near post. However, an error at the back then led to Town keeper Bessant having to make two good blocks, from Massey and McIndoe. Swift then had a header just wide for the hosts from a free-kick, he then had another shot off target. Rangers,

again suffering with some injuries, then started to come into it more, McIndoe had a shot saved and Bartlett twice forced Bessant into saves from free-kicks, the second one causing him a few problems. After about half an hour the hosts stepped up the pressure, a good move saw Assadi's shot tipped over by Downs, from the corner Longland shot over. Another attack saw the ball crossed and Hill miss his kick in front of goal as the ball bounced badly. A nice move then saw Hill miss his kick again, but he set up Longland to score, only for the (visiting) linesman to flag for offside. On 42 mins Town took the lead as a great run and cross by Assadi saw Longland denied well by Downs' block, but the ball fell to Swift, who drove the ball home. Longland was put through again a minute later, his first shot was blocked by Downs, but he put in the rebound, only for the linesman to flag for offside again.

HT 1-0.

The second half started evenly, but the home side again started to threaten - Longland was denied by a great tackle by Fear, then his powerful header from a corner was cleared off the line. Rangers again came back well and equalised on 65 mins as great speed down the right by McIndoe saw a cross, Massey's original shot was blocked, but he converted at the second attempt. Longland nearly restored the home lead immediately, but Downs made a great save with his legs. Both teams were going for the winner now and Massey shot over for the visitors, then Butterworth cut in from the right and his low shot was very well saved by Downs. At the other end a defensive error saw a cross by McIndoe just out of reach of Massey, who then had another attempt well wide. Town came close twice near to the end through Shapland and Swift, but it was FT 1-1 and straight to penalties.

Town scored first, then McIndoe fired over the bar for Rangers. This advantage was negated when Downs made a good save from Hill, but as we started sudden death, a good save by Bessant with his legs gave the home side the honours.

Match played at the Norman Rodaway Sports Field, which was used by both teams until Rangers' move to the 4G at the Deer Park.

Just a reminder: the GMMS is the competition for teams who were eliminated in the first round of the Hampshire Premier League Cup [Paul H].
