Annual Asylum Fee

Before You Start The Payment Process

Eligibility

Any alien who had an asylum application pending for the entire period of October 1, 2024, through September 30, 2025, must pay the AAF. Additionally, any alien who filed or files a Form I-589 after October 1, 2024, that remains pending with USCIS for 365 days must pay the AAF as of the one-year anniversary of his or her filing date and each year thereafter that the application remains pending on such day of the calendar year. For the first time the AAF is due, aliens who file for asylum do not need to monitor the time their application has been pending and if the AAF applies to them. USCIS will issue personal notices to aliens when their annual asylum fee is due, which will include the amount of the fee, when it must be paid, and how the fee must be paid, and the consequences of failing to pay. USCIS will provide guidance for future years' AAF payments in subsequent communications.

Fee

We will automatically calculate the cost for you before you submit your application. [For specific information about fees applicable to this form, see Form G-1033.](#)

Refund policy: USCIS does not refund fees, regardless of any action we take on your application, petition, or request, or how long USCIS takes to reach a decision. By continuing this transaction, you acknowledge that you must submit fees in the exact amount and that you are paying the fees for a government service. Please refer to the instructions for the form(s) you are filing for additional information, or you may call the USCIS Contact Center at 800-375-5283. For TTY (deaf or hard of hearing) 800-767-1833.

Additionally, USCIS may disclose the information to other federal, state and local authorized organizations in accordance with approved routine uses, as described in the associated published system of records notice TRESASUR/FMS.017 - Collections Records - Treasury/Financial Management Service, which can be found at www.treasury.gov/privacy, and DHS-USCIS-007 - Benefits Information System, available at www.dhs.gov/privacy. IDENTIFICACIÓN DEL CASO

Annual Asylum Fee

What is your A-Number? *

The A-Number is an immigration file number provided by U.S. immigration officials. We use your A-Number to identify your immigration records. It is a 7 to 9-digit number that begins with an "A" and can be found on correspondence or cards you have received from DHS, USCIS, or on immigration court records.

A- Tu número A (A-Number):

Provide a 7, 8, or 9-digit number. If the A-Number is fewer than 9 digits, the system will automatically add zero(s) after the "A" and before the first digit so there is a total of 9 digits, for example: A-001234567.

What is your receipt number? *

The receipt number is a unique 13-character identifier that USCIS provides for each application or petition it receives.

Número de recibo de tu caso de asilo:

Provide a 13-character receipt number, beginning with 3 capitalized letters followed by 10 digits.
