2

3-5 Page Website

**starting set-up
\$430 +
\$122/year**

- Including all Landing Page features plus:
- 3-5 designed pages
- Additional page options available
- Free monthly updates

Site built within the Feldenkrais Practitioners platform.

Your custom domain forwards to your dedicated page under www.fngapractitioners.com

3

Self-Service Website

\$225/year

- Build your own website with 50+ templates to choose from
- Backend access giving you update flexibility
- Custom site building available starting from \$400

Domain registration is not included in any plan and is purchased separately. If you already have a domain, it can be seamlessly forwarded to your new site. We are also happy to assist with purchasing and configuring a new domain. Setup for options 1&2 includes template-based design and layout. Additional customization or page expansion may be added if desired.

To begin, fill out the intake form at www.fngamembers.com
