

# 2026 OKLAHOMA ROOFING CONTRACTORS ASSOCIATION ANNUAL CONFERENCE AND TRADE SHOW

## CONNECT, LEARN, GROW, ADVANCE...

**MARCH 9-10, 2026**

HILTON GARDEN INN  
EDMOND CONFERENCE CENTER  
2833 CONFERENCE DRIVE  
EDMOND, OKLAHOMA 73034

### About the Conference

The 2026 Oklahoma Roofing Contractors Association Annual Conference & Trade Show will feature an array of educational opportunities, while also serving as a hub for connecting with hundreds of contractors, manufacturers, suppliers, and service providers from all across the industry. Attendees will be exposed to new technologies, learn about the latest insurance and legal challenges, and get up to speed on our advocacy efforts related to legislation, how it impacts their business, and what ORCA has accomplished on behalf of the industry.

### Event Highlights

#### Speed Networking ◀

Qualifying sponsors may participate in this fast-paced event, allowing vendors of all types to connect with contractors in a "speed dating-like" setting.

#### Sponsorship Opportunities ◀

Advance your brand through a Gold, Silver, Bronze, Event or Item Sponsorship.

#### Exhibitor Space ◀

ORCA's trade show takes an alternative approach to exhibits, offering tabletop spaces in increments of six feet.

#### Learning Opportunities ◀

Attend our Mount Rushmore of Oklahoma Roofing Keynote Luncheon, along with technology and political sessions that bring value to your work.

# ABOUT SPEED NETWORKING

ORCA's inaugural Speed Networking event during the 2025 Annual Conference was an overwhelming success! The event is structured in a way that vendors have fast-moving, one-on-one conversations with multiple contractors within a set timeframe, allowing them to meet many prospects and exchange information efficiently. Similar to the concept of speed-dating but focused on professional connections, a timed rotation system will signal participants to move to the next table after a brief conversation and exchange of contact information.

**PARTICIPATION IS LIMITED TO GOLD, SILVER, BRONZE,  
EVENT AND ITEM SPONSORS.**

## SPEED NETWORKING DETAILS

### Fast-Paced Interaction

Vendors will introduce themselves and have discussions with each contractor they meet, before rotating to the next stop.

### Rotating Format

Participants move to the next table upon a designated signal, allowing them to connect to many new contacts quickly.

### Structured Environment

The speed networking structure will enable adequate rotation to ensure everyone has an opportunity to connect.

### Build Connections

The primary objective is to make new professional contacts and explore future collaborations and/or business opportunities.

# EXHIBITOR SIGNUP

## EXHIBIT SPACE ONLY

Looking for a cost-effective way to support ORCA while getting in front of clients, both current and prospective? The six foot exhibit space option may be the solution for you!

Spaces are offered for \$750 each in increments of six feet. Please note there are a limited number of these exhibit spaces available and are provided on a first-come, first-served basis.

**Includes: six foot table space, chair, access to power, and one comp registration**

**\*Note: exhibitor-only vendors are not eligible for Speed Networking.**
