Remembering When

Palos Fire Protection District offers a senior citizen home safety program, designed to assist in recognizing common hazards within residences. This program is entitled ***"Remembering When"*** and is nationally recognized by the National Fire Protection Association.

Home safety inspections for fire hazards, as well as "slip, trip, and fall" hazards, are available by appointment.

Group presentations are also available for senior groups who wish to find out more about this program.

- Contact Palos Fire Protection District at (708) 448-0369 for more information on the ***"Remembering When"*** program, or to make an appointment for inspection/group presentation.

This program is operated at no cost to the community.
