Sharing the Legacy: The Christ Church Foundation 2020 Report

The Christ Church Foundation embodies the continuing legacy of the faith and gifts of generations of parishioners. Founded in 1979, the Foundation provides a permanent endowment for the ongoing care, maintenance and improvement of our church, buildings and grounds.

The Foundation remembers those persons who, upon death, have fulfilled their lasting commitments; recognizes those living persons who have made known their future commitments; and thanks parishioners and friends who have generously joined together to help ensure the church’s lasting ministry. For further information on how you can help, please contact foundation@historicchristchurch.org.
