

Sharing the Legacy: The Christ Church Foundation 2025 Report

The Christ Church Foundation embodies the continuing legacy of the faith and gifts of generations of parishioners. Founded in 1979, the Foundation provides a permanent endowment for the ongoing care, maintenance and improvement of our church, buildings and grounds.

The Foundation honors those persons who, upon death, have fulfilled their lasting commitments; recognizes those living persons who have made known their future commitments; and thanks parishioners and friends who have generously joined together to help ensure the church's lasting ministry. Listed here are fulfilled bequests, legacy pledges, and those who made contributions as of December 31, 2025. For further information on how you can help, please contact foundation@historicchristchurch.org.
