

An Invitation from the Rector

For more than 250 years, the people of Christ Church have gathered to sing, pray, worship, heal, mourn, celebrate, and serve. Over the past decade, our community has grown in number, expanded our reach, and deepened our commitment to welcoming everyone—with no exceptions.

Now is the time to make improvements to our campus that will ensure we can fully live into that commitment by making our worship and our spaces more accessible, memorializing the enslaved people who built our parish, and supporting our Lazarus Ministry to continue to care for our neighbors in need.

Over the last few years, members of our parish have worked diligently to identify the physical upgrades needed to serve both current and future generations. The projects in this campaign represent "no regrets" investments that will bolster our community life and commitment to radical welcome.

God's work in and through Christ Church is far from finished. As the current stewards of this remarkable parish, we are privileged to bear witness to God's unbounded love. I invite you to prayerfully consider participating in the Our Hope & Home for Years to Come campaign, securing a legacy upon which future generations can continue God's mission and ministry.

Blessings,

Noelle +
