Dear friends,

After months of negotiations between Fowler House leadership and Kensington Senior Living, on Tuesday the Vestry authorized the Christ Church trustees to sign an agreement to lease with Kensington for redevelopment of the Fowler House property.

Under a 99-year ground lease, Kensington proposes to build an assisted living and memory care residential facility on the Fowler House property.

This is just one of many steps before the agreement with Kensington is finalized. For details, come to the All-Parish Meeting on Sunday, February 23 after the 9:00 a.m. service. Remember, there will be a modified service schedule Sunday. There will be a 7:30 a.m. Rite I service, a 9:00 a.m. Rite II service followed by the Annual Meeting, and a regularly scheduled 5:00 p.m. Rite II service.

Please also continue to keep the Fowler House committees in your prayers as we move forward.

Blessings,

The Rev. Dr. Noelle York-Simmons, Rector
