Dear friend,

The Our Calling, Our Campus team led a discernment process in the spring of 2021 that consisted of two rounds of small-group discussions via Zoom and two all-parish surveys.

The first round of discussions and surveys explored what it is that makes Christ Church a vibrant worship community and where parishioners have experienced God in our community. The second round looked more deeply at where members of the parish feel God calling us today.

The committee's report can be [downloaded here](#) and is also available on the Christ Church website.

The report recommends all parishioners, no matter how long they have been at Christ Church, take a tour of our campus to get a better understanding of how it serves us today. Tours will be offered on Welcome Sunday, September 12.

Additionally, the report recommends education about the financial implications of the Ross/Fowler building. We invite you to attend one of two Adult Formation sessions on this issue, September 19 or 26 at 9:00 a.m. in the Meade Room.

As we move forward, we hope you will join us in prayer for our parish:

*Almighty and everliving God, ruler of all things in heaven and earth, hear our prayers for this parish family. Strengthen the faithful, arouse the careless, and restore the penitent. Grant us all things necessary for our common life, and bring us all to be of one heart and mind within your holy Church; through Jesus Christ our Lord. Amen.*
Sincerely,

The Our Calling, Our Campus Committee
