PARTS NOMENCLATURE

Brennan Industries, Inc.'s hydraulic tube fitting and adapter part numbers are constructed from symbols that identify the series, size, material and type of product. When ordering part numbers, begin by listing the series followed by the size and the material suffix. Sizes are measured in sixteenths of an inch (example: 4/16 or 4). The standard product is produced in steel and requires no material suffix. If ordering stainless steel products, add the suffix SS, and if you are ordering brass products, add the suffix B. Metric Bite Type Fittings are called out by tube size (in millimeters) i.e. 20mm Tube (S20), while Metric Port Fittings are called out by Thread O.D. and Thread Pitch (in millimeters) i.e. 30x2.0 or 30x1.5. BSPP fittings, while different from U.S. threads are still measured fractionally and are therefore called out by sixteenths of an inch.

2501-08-08-SS

This is a 2501 Series with a 1/2" male JIC tube and a 1/2" male pipe thread. The part number also indicates that the product is made of stainless steel.

2501-12-08-FG

This is a 2501 Series with a 3/4" male JIC tube and a 1/2" male pipe thread. The part number also indicates that the product was produced as a forged one-piece construction, steel adapter.

2501-04-04-B

This is a 2501 Series with a 1/4" male JIC tube and a 1/4" male pipe thread. The part number also indicates that the product is made of brass.

GLOSSARY OF DESCRIPTIONS

AORB: Adjustable O-ring Boss (NWO)

B: Brass

BHLN: Bulk Head Lock Nut

BSPP: British Standard Pipe Parallel (G Thread)

BSPPS: British Standard Pipe Parallel Swivel

BSPT: British Standard Pipe Taper (R Thread)

BT: Bite Type

BT: Bored Through Connector in Double Ferrule Series

BTS: Bite Type Swivel

BULN: Back-up Lock Nut (NWO)

BW: Butt Weld

C: (before number) Bite Type

C: (after number) Cap

COR: Captive O-Ring (Style DIN 3852, Form E)

C HEX: Width Across the Wrench

D: Aluminum

DKO: 24° Sealing Cone (Female Swivel) with O-Ring

E: Extra Light (Metric Fittings)

F: (before number) Flare-O

FBSPP: Female British Standard Pipe Parallel

FBSPT: Female British Standard Pipe Tapered

FBSPPS: Female British Standard Pipe Parallel Swivel

FFS: Female Face Seal

FFSS: Female Face Seal Swivel

FG: Forged Flats of the Hex

FIF: Female Inverted Flare

FJ: Female J.I.C.

FJIS: Female J.I.S.

FJS: Female J.I.C. Swivel

FK: Female Komatsu

FMS: Female Metric Swivel

FO: Flare-O

FORB: Female O-ring Boss

FP: Female Pipe

FPS: Female Pipe Swivel

FS: Face Seal

FSAES: Female SAE Swivel, 45° Seat

H: Hollow Hex O-ring Plug

HB: Hose Barb

HP: Hollow Hex Pipe Plug

I.D.: Inside Dimension

JIC: Joint Industrial Council, 37° Flare

JIS: Japanese Industrial Standard, 30° Flare

L: Light (7005-04-L06-12)

L: Long (6400-L-20-20-O)

LGTH: Length

LH: Large Hex

LL: Extra Long Drop

LLL: Extra Extra Long

LLLL: Extra Extra Extra Long

MAORB: Male Adjustable O-ring Boss (NWO)

MBT: Metric Bite Type

MBSPP: Male British Standard Pipe Parallel

MBSPPADJ: Male British Standard Pipe Parallel Adjustable

MBSPPAORB: Male British Standard Pipe Parallel Adjustable O-ring Boss

MBSPT: Male British Standard Pipe Tapered

MFS: Male Face Seal

MIFS: Male Inverted Flare Swivel

MJ: Male J.I.C.

MJIS: Male J.I.S.

MKOM: Male Komatsu

M.M.: Millimeters

MM: Male Metric

MMADJ: Male Metric Adjustable

MMAORB: Male Metric Adjustable O-ring Boss use with ISO 6149

MMORR: Male Metric O-Ring and Retaining Ring

MORB: Male O-ring Boss

MP: Male Pipe

MS: Metric Swivel

N: Used as prefix for Instrumentation fittings series (N2404-04-04-SS)

N: Extended Length (5404-N-02x0.750)

N: Locknut for NWO Assembly (0306-N-03)

NBR: Assembled with Nut and Bite Ring

NPSM: American (formerly National) Pipe Straight Mechanical

NPTF: American (formerly National) Pipe Taper Fuel

NWO: Nut Washer O-ring (MAORB)

O: O-Ring

O.D.: Outside Dimension

ORB: O-Ring Boss

PC DOT: SAE DOT Push to Connect Fittings for Vehicle Applications

PCNY: Push to Connect Nylon Fittings

PCNB: Push to Connect Nickel-Plated Brass Fittings

PL: Push Lock

PLATE MAX: Recommended Maximum Plate Thickness After Assembling the Bulkhead with the 306 Locknut, 318 Nut & 319 Sleeve

P: Plug

S: Heavy (7005-04-S06-14)

S: Steel

SAE: Society of Automotive Engineering

SHP: Square Head Plug

SS: Stainless Steel

TS: Tube Spud

V: Versa Flare

Y FLATS: Width Across the Wrench Flats

SPECIALS

If you have a design challenge that involves hydraulic fittings, Brennan will help. Chances are, we've already developed a fitting for a similar requirement. The solution could be as easy as modifying an existing fitting to meet your specific requirements. Or, we can start from scratch to develop a solution.

If your application calls for specials, we're the source that will meet your needs. Put the experience of the Brennan team to work for you.

brennaninc.com/specials

ABOUT BRENNAN

In 1953, Brennan Industries, Inc. was founded in Ohio *to answer the need of hydraulic systems customers who required reliable tube fitting and adapter products in a timely fashion.*

In the early years, only about 300 different connectors were being manufactured. Today, with *over 50,000 line items in inventory*, Brennan offers the most complete line of hydraulic tube fittings, adapters and related products available anywhere in the world.

Whether you need steel, stainless steel or brass standards or specials, *we have the fittings you need* on the shelf and in sizes ranging from 1/16" to 3". If you need something custom, our Engineered Solutions team can make it for you quickly.

Brennan products are stocked at strategically located, full-service distribution centers across North America, Europe and Asia.

Our global manufacturing and inspection processes assure that our customers, no matter where they may be located, will receive quality Brennan fittings *consistent* in fit, form, function, quality and performance.

As an ISO 9001: 2000 certified company, all our products meet or exceed J.I.C./S.A.E. specifications and *Brennan is the product identification and traceability innovator within the industry.*

Brennan's international reputation for excellence has contributed to our rapid growth. Despite this growth we remain a family owned business making sure our *customers still receive personal attention* by our experienced sales and customer service representatives.

Be sure to visit us online at brennaninc.com or call toll-free at 888-331-1523.

WE LOOK FORWARD TO HEARING FROM YOU.

[illegible]

With 16 strategically located, full-service distribution centers across North America, Europe and Asia, our goal is to provide your fittings as fast as possible- when and where you need them.

MAKING CONNECTIONS

Brennan supplies customers worldwide with more than 120,000 standard and special hydraulic fittings, adapters and O-rings in sizes ranging from 1/16 to 3 inches. These include a wide choice of fitting and adapter types such as tube, O-ring face seal, instrumentation, metric bite type, push-to-connect, conversion and flareless bite type, as well as valves, clamps and swivels.

Brennan fittings are manufactured to the highest standards, meeting or exceeding J.I.C./S.A.E. and international specifications, with quality control certifications including DIN, ISO, ITAR, ASTM, NADCAP and AS9100.

CATALOG INFORMATION

The content of this catalogue has been prepared with care, but Brennan Industries, its subsidiaries, and its authorized distributors are not responsible for any inadvertent typographical errors or omissions. The content herein, including, without limitation, product features, specifications, designs, availability, and pricing, is subject to change without notice and is only accurate as of the date of publication. For more current information, please visit our website.

USER RESPONSIBILITY

WARNING: IMPROPER SELECTION OR IMPROPER USE OF THE PRODUCTS DESCRIBED HEREIN, OR RELATED ITEMS, CAN CAUSE DEATH, PERSONAL INJURY, AND PROPERTY DAMAGE.

This catalogue, and other content from Brennan Industries, its subsidiaries, and its authorized distributors, provides product options for further investigation by users having technical expertise.

The user, through their own analysis and testing, is solely responsible for making the final selection of the product and ensuring all applicable performance, endurance, maintenance, safety, and warning requirements are met. The user must analyze all aspects of the application, follow applicable industry standards, and read, understand, and follow the content in this catalogue and any other content provided by Brennan Industries, its subsidiaries, and its authorized distributors.

To the extent Brennan Industries, its subsidiaries, and its authorized distributors provide product options based upon data or specifications provided by the user, the user is responsible for determining that such data and specifications are suitable and sufficient for all applications and reasonably foreseeable uses of the products. In the event the buyer is not the end-user, the buyer will ensure such end-user is made aware of and complies with these responsibilities.

PRODUCT COMPLIANCE

The buyer agrees to comply with all applicable laws, regulations, and industry/professional standards in the country or countries where it may operate. The buyer agrees to indemnify, defend, and hold harmless Brennan Industries, its subsidiaries, and its authorized distributors from the consequences of any violation of such laws, regulations, and standards by the buyer, its employees, or agents. The buyer further represents and agrees it will not receive, use, service, transfer, or ship any product from Brennan Industries, its subsidiaries, and its authorized distributors in a manner or for a purpose that violates trade laws or would cause Brennan Industries, its subsidiaries, and its authorized distributors to be in violation of trade laws.

California Proposition 65: California Proposition 65 requires businesses to provide warnings to California consumers about exposures to chemicals that cause cancer or birth defects and other reproductive harm. The required warnings are as follows:

WARNING: Certain products in this catalog can expose you to chemicals which are known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

WARNING: Certain products in this catalog can expose you to chemicals which are known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

If you have any questions about whether any product is subject to California Proposition 65 warning requirements, please visit our website with reference to that product. For further information regarding Proposition 65, please visit www.P65Warnings.ca.gov or www.oehha.ca.gov.

*“Our mission is to provide best-in-class hydraulic,
pneumatic, and instrumentation products, leveraging
our extensive inventories with a consultative approach.
That is the Brennan difference.”*
