Perfect Programs for Your Performer

The Performance Studio has 4 unique programs for your Performer. Below is a brief explanation of each program and throughout our registration package you will learn more information about each program.

Pre-School Programs - 2.5 yrs - 4 yrs

Our Pre-School classes range from 8 week sessions to full year programs. These fun and upbeat classes are perfect for any performer ages 2.5 yrs - 5 yrs.

Pre-School registration will open in May!

Performer Program - 5 yrs - 18 yrs

The Performer program divides the time spent each week into three parts - dance instruction, vocal instruction and drama instruction. In each discipline, students develop their confidence and creativity, while learning and enhancing performance technique.

Foundational Dance Program - 5 yrs - 18 yrs

We provide students with exceptional dance instruction through proper technical training in a creative and positive environment. We offer classes in ballet, jazz, acro, tap, contemporary, lyrical and more!

Dancers in this program will participate in our year-end dance showcase.

Performance Studio Dance Team - 5 yrs - 18 yrs

Competition builds confidence and self-esteem in our youth. Performers that would like to accelerate their dance training are invited to a special audition opportunity to join PS. Dance Team.

As a member of our Competition Team, choreographers help our experienced dancers between 5 and 17 years old gain greater proficiency in a variety of dance disciplines in solo, duet, trio, and group routines.
