UNITED AEROSPACE CORPORATION

QUALITY POLICY

United Aerospace Corporation is committed to delivering excellence by ensuring the highest levels of customer satisfaction and maintaining strict compliance with all applicable regulatory standards and customer requirements.

United Aerospace's Quality Policy is communicated to all employees and made available to all suppliers, customers, contractors and other interested parties.

United Aerospace's strategic direction is to be a trusted aerospace distributor by meeting the needs and expectations of our customers and other interested parties.

We are committed to the continual improvement of the Quality Management System (QMS) by setting quality objectives and providing necessary resources.
